FOREST FIELDS NEIGHBOURHOOD LINK

Hello!

Welcome to the first issue of Forest Fields Neighbourhood Link - Brought to you by a group of volunteers and workers who meet at the Forest Fields Neighbourhood Centre.

The Link is intended to provide information to all residents of Forest Fields about groups, events, services and plans for the area. The first issue is small because we have no separate funding at this stage. We hope to do four issues a year and increase the size as the Link becomes better known and supported in the neighbourhood.

We welcome articles from non-profit making groups and from individuals. We will welcome adverts from local businesses and will negotiate rates depending on the size of the company.

You can help by sending in news items, letters, cartoons etc. or by coming along and helping with preparation, lay-out and delivery.

The next meeting for newsletter volunteers will be on:
MONDAY JANUARY 21ST AT 2.00PM.

The last day for contributions to the Spring issue will be:
MONDAY 25TH FEBRUARY

Best wishes for a happy new year from the editorial group.

FOREST FIELDS RESIDENTS ASSOCIATION

With regret, we, the remaining members of the above association, have held our last meeting for the time being, owing to lack of interest by local residents. The number of our committee members gradually dwindled, and so we are obliged to cease our activities until membership has increased. If anyone feels interested, when we have members to continue our affairs, we shall do so.

Meanwhile we still remain active in trying to get rubbish cleared, empty houses boarded up where window panes are broken, ringing British Telecom if phones are being vandalised, and generally trying to make Forest Fields a better place.

ALTERATIONS TO THE CHURCH

Members at the Baptist Church are considering making some significant alterations to their premises. As well as updating facilities for modern day Christian activity, we also want to make what we have more useful to the wider community. We would be glad to receive comments and suggestions which would help us in our planning. These should be sent to Brian Nicholls, Mansfield Rd Baptist Church, Corner of Gregory Boulevard and Sherwood Rise, Nottingham, NG7 6JN

ENVIROMENTAL IMPROVEMENTS ON BERRIDGE ROAD

One of the most attractive terraces in Forest Fields, the Norris Homes, is at last undergoing a facelift.

The almshouses, standing at the junction of Sherwood Rise and Berridge Road, have suffered vandalism and deterioration in recent years which generated much concern from local residents and the City Council. However the Nottingham Community Housing Association are currently engaged in a comprehensive refurbishment of the homes to restore them to their former glory.

The Homes were designed by the well known Nottingham architect Watson Fothergill and their purpose was to provide good quality accommodation for women over the age of sixty who found themselves in a state of financial insecurity. Built in 1893 by Mary Norris in memory of her brother, John Smith Norris, they are a well known local landmark.

The City Council succeeded in persuading the Department of the Environment to list the buildings in 1988 and is working closely with Nottingham Community Housing

Association to achieve a sensitive restoration; windows to replace those rotten or fire damaged have been painstakingly replicated, each one taking a week to construct and hand finish. It is hoped to restore missing features such as the sundial face and the terra cotta mythical dragon which used to sit above the bellcote at No. 8. Research is also being done to establish the original design of the railings which used to complement the stone boundary wall fronting Berridge Road and Sherwood Rise.

Once refurbished the brick and stonework of buildings will be cleaned and should result in a significant improvement in the appearance of the area.

Further information about the scheme can be gained from Grant Butterworth at the City Planning Department; he is particularly keen to hear from anyone who may have old photographs of the almshouses which show the original railings. He can be contacted on 483500 ext. 5407.

پول ٹیکس

اپریل 1990 سے انٹرنیشنل اور ویلیس میں جنرل ڈیٹس ختم کرنے
 اس کی جگہ پول ٹیکس متعارف کر لیا گیا ہے۔
 اس کے مطابق ہر بالغ شخص جو کہ 18 سال کی عمر
 کو پہنچ گیا ہو گا۔ اس کو اس ٹیکس کا اکم از کم 20 فی صد اخراج کرنا
 ہو گا۔ اس ٹیکس کا تعین شہری علاقہ انتخاب یا علاقے کی کونسل کرتی ہے
 نو ٹنگھم شہر کے رہنے والوں کے لئے اس ٹیکس کی مکمل
 رقم 390/- پونڈ ہے۔ جو کہ اپریل 1990 سے لیکر اپریل 1991 تک ہو گا
 (اس کا پچھ 20 فی صد 78/- پونڈ ہے)

کچھ لوگوں کو پول ٹیکس کی ادائیگی معاف ہوگی۔ ان میں
 وہ لوگ شامل ہوں گے جو کہ مکمل مذہبی اعتبار سے اس سے مستثنیٰ ہوں گے
 یعنی اس ٹیکس کو ادا کرنے کے لئے نہ ان کے پاس رقم ہوگی نہ ان کے پاس کوئی رقم
 حاصل کرے گا (دیرینہ ہو) اور وہ لوگ جو مکمل طور پر دماغی مریض ہوں
 کم آمدنی والے لوگوں کو اس ٹیکس میں کچھ جھوٹ ملے گی
 لیکن حکومت اس بات کا تعین کرے گی کہ وہ لوگ کتنے فی صد ادائیگی کے قابل ہیں
 مابعد علم اور وہ لوگ جو کہ انکم سپورٹ حاصل کر رہے ہیں
 ان کے لئے اس سال کی ادائیگی کی رقم 78/- پونڈ مقرر ہے۔ ان کے علاوہ وہ
 لوگ جو کہ مکمل انکم سپورٹ حاصل کرتے ہیں ان کو اس رقم سے کچھ زیادہ
 رقم دینی ہوگی۔ اس کی کو عام طور پر پول ٹیکس ڈیبٹ کہتے ہیں۔
 وہ لوگ جو نہ انکم سپورٹ حاصل کرتے ہیں اور نہ پاورنگ
 بینیفٹ حاصل کرتے ہیں وہ لوگ پول ٹیکس ڈیبٹ حاصل کر سکتے ہیں۔ اس
 کے لئے درخواست فائدہ کیمنٹی چارج کی پادگمنت جو کہ نو ٹنگھم سٹی
 ٹریڈی انٹرنس میں ہے سے حاصل کئے جاسکتے ہیں۔ پول ٹیکس ایک انفرادی
 ٹیکس ہے جو ہر بالغ شخص کو اپنے آپ ادا کرنا ہو گا۔

اس کے علاوہ 5- وہ میاں بیوی جو کہ ایک ساتھ ایک ہی گھر میں رہتے ہیں
 ان میں سے ہر ایک دوسرے کے پول ٹیکس کے ادا کرنے کا حقدار ہے۔ اسی طرح جس
 طرح وہ خود اپنے پول ٹیکس کے ادا کرنے کا حقدار ہے۔
 ادائیگی :- اس کی ادائیگی کے طریقے درج ذیل ہیں :-
 1:- مکمل ادائیگی :- اس کی مکمل ادائیگی سال کے کسی بھی لمحہ میں ممکن ہے لیکن
 یہ ادائیگی مئی کے آخر سے پہلے فروری ہے)

2:- قسطوں میں ادائیگی :-
 (الف) آدھے سال میں ادائیگی :- کے لئے آدھی رقم کی پہلی قسط مئی کے آخر تک
 اور بقیہ آدھی رقم کی دوسری قسط اکتوبر کے آخر تک ادا کرنی ہوگی

ب) ماہانہ ادائیگی (دس قسطوں میں)

اس ٹیکس کی ماہانہ ادائیگی بھی ممکن ہے۔ یہ
 ادائیگی مئی کے مہینے سے شروع ہو کر اگلے نو مہینے یعنی فروری تک جاری
 رہے گی۔
 یہ ٹیکس روزانہ کے حساب سے بھی ادا کیا جاتا ہے۔ یہ ضروری ہے
 کہ جب آپ اپنا بیٹہ تبدیل کر لیں تو لوکل اتھارٹی کو ضرور خبر دے۔ لوکل اتھارٹی
 آپ کی روزانہ کی ادائیگی قبول کرتی ہے۔
 ہفتہ والی ادائیگی :- اس ٹیکس کی ادائیگی ہفتہ کے ہفتہ بھی کی جاسکتی ہے۔

اگر ایک دفعہ آپ نے مقرر کردہ ادائیگی کرنا چھوڑ دی۔ تو
 لوکل اتھارٹی آپ کو یاد دہانی کا خط لکھے گی۔ یہ خط ملنے کے بعد بھی اگر سات
 دن کے اندر ادائیگی نہ کی گئی تو آپ کا مقرر کردہ ادائیگی کا حق ختم ہو جائے
 گا اور سات دن کے بعد بقایا پوری رقم ادا کرنا ہوگی۔ (اگرچہ لوکل
 اتھارٹی چاہے تو اس سے بعد بھی مقرر کردہ قسطیں وصول کر سکتی ہے)

نو ٹنگھم شہر کے کچھ لوگ اپنے پول ٹیکس کی رقم کو اس کی
 اصل رقم 390/- پونڈ سے کچھ کم پائیں گے۔ اس کی وجہ یہ ہے کہ ان
 کے بچہ آخری ادہ کر رہے جنرل ڈیٹس کی رقم اس پول ٹیکس کی رقم سے
 زیادہ ہوگی اس لئے ان کے پول ٹیکس کی رقم میں کچھ کمی کی گئی ہے۔

پول ٹیکس کا نظام کچھ مشکل نظام ہے۔ اس کے
 بارے میں زیادہ معلومات مشورہ سینٹر یعنی ریڈوائس
 سینٹر سے حاصل کی جاسکتی ہیں۔

GREENFIELDS OPENS AT LAST

The long-awaited Day Nursery and Training Centre called 'Greenfields' has opened at last. Sited at 139, Russell Road, the Centre is providing quality childcare for the under 5's and a range of training courses for adults.

One training course already underway is called "Women Stepping Out", and aims to help women return to work or further education through a structured programme of training and development. The trainees are studying English, Maths, Computers and other skills. Examinations can be taken at the end of the course, but are optional.

LETTERS

Dear Neighbourhood Link,

No doubt many residents in Forest Fields have noticed the appalling mess near the concrete waste bins sited by the phone boxes on Foxhall Road and on the Foxhall Road/Berridge Road corner. It is difficult to apportion blame for the mess. Can one blame the Council Refuse Department? They are hampered by the cash available to send out adequate road-sweepers and the council are restricted by government cuts right, left and centre. Maybe you think the bins aren't large enough. Well they are big enough for the purpose for which they were meant but by the nature of the refuse, the bins are being used for household refuse and food scraps which looks as if some flat residents are dumping waste there. The local stray dogs smell the bones and drag out the packages when they're searching for food, thus the appalling mess. The strays are allowed to roam the streets, as there aren't sufficient dog wardens available to adequately cover the whole of Nottingham. Funding these wardens

The course is fully funded and trainees receive attendance allowances, lunch money and travel costs - none of which affect their benefit entitlements. Greenfields also supplies childcare in nursery for trainees' children - again at no cost to the student. We hope to offer similar training next year and will be offering other courses to cater for the different needs of the local community.

Greenfields Nursery offers childcare places to local parents, trainees and full fee paying employers. Fees for local users are subsidised - so that people can afford to pay for their child in our nursery.

We want lots of people to use our Centre - everyone is welcome!

If you would like to come and use our meeting rooms, have a coffee afternoon or find out more about Greenfields then please ring Helen on Nottingham 785488.

is again difficult because of Government cuts, so one wonders how this problem can be tackled. Is there any solution? The council are trying to avoid overspending, because they aim to keep the Poll Tax at its present level and not to increase it. To do this many cuts are necessary wherever possible. I wonder if anyone knows the answer. Have you any suggestions to make on how we can solve the problems?

BETTY PEACH
 Local Resident.
