Helpers allowed in poll tax cases

Guardian 26/7/91

Clare Dyer
Legal Correspondent

HUNDREDS of poll tax defaulters who were refused the help of a lay adviser may be able to have liability orders against them reviewed, after a ruling by the Court of Appeal yesterday.

Three judges, headed by the Master of the Rolls, Lord Donaldson, ruled that litigants appearing in court without a lawyer are entitled to have a friend at their side to give advice and take notes. Poll tax cases in which magistrates denied the right may have to be reviewed.

Overtaking a High Court decision that judges and magistrates had complete discretion on the issue, the judges quashed poll tax liability orders of £375 and £30 costs each against Michael Barrow of Leicester and his wife, Carol, imposed by Leicester magistrates last August.

The Court of Appeal has ruled that everyone is entitled to a MCKENZIE'S FRIEND in court.

This is your right.

Make sure you ask for one if you are facing a hearing.

The implication of this ruling is that all those who asked for a MCKENZIE'S FRIEND (or adviser/helper) and were denied one, could now have their Liability Order quashed.

Please refer any queries on this matter to your Anti-Poll Tax Union.

1st ANNIVERSARY of Nottingham's Liability Hearings.

(Yes ! Rushcliffe Borough Council again !)

As you may know, on August 16th 1990 Rushcliffe Borough Council took the first people to court for their liability orders to pay the POLL TAX.

Only one person, a local school teacher was heard, who bravely held the court for over an hour so that the remaining cases had to be adjourned until November !

The Social evening is partly to celebrate this - the first of many victories over the courts and the council -

And

A year later, Soroosh Ayandeh- the brave and energetic activist of Rushcliffe Against the Poll Tax - has been jailed for 3 months for wilful refusal to pay the POLL TAX.

This too is a victory for the campaign, in that it demonstrates the futility of all recovery procedures, and the determination of the fighters. The more people able to take a firm stand against this evil tax the nearer to victory.

Do join us at STUMPS BAR, THE TEST MATCH, Gordon Rd.

ROCK AGAINST THE POLL TAX - WHO ARE WE ?

We are members of local Anti Poll Tax Campaigns based in the communities of Nottinghamshire working together to raise funds. By working together we're able to get bigger bands and put together a more interesting and varied series of benefits (and hopefully raise more money as a result!!). All monies raised will be divided equally between the groups involved (including the N.D.F. an organisation set up by local community Anti Poll Tax groups to defend all persons arrested for anti poll tax activities), These groups are :-

BEESTON, FOREST FIELDS/HYSON GREEN, LENTON/DUNKIRK, RADFORD, St. ANNS, and the Nottingham Defence Fund.

If we're succesful then we will continue after Xmas and new participants are welcome, contact via any of the groups mentioned above.
