

June 2000 . Planning special 3

Partnership Council

Special

Community Planning Day

For
Forest
Fields

Have your say about changes to your neighbourhood!

A Community Planning Day is being held to create a practical action plan for the future of a large part of Forest Fields. The Day offers a chance for local residents and all those who are interested in the future of the area to put forward ideas for change.

Have your say about changes to your area!

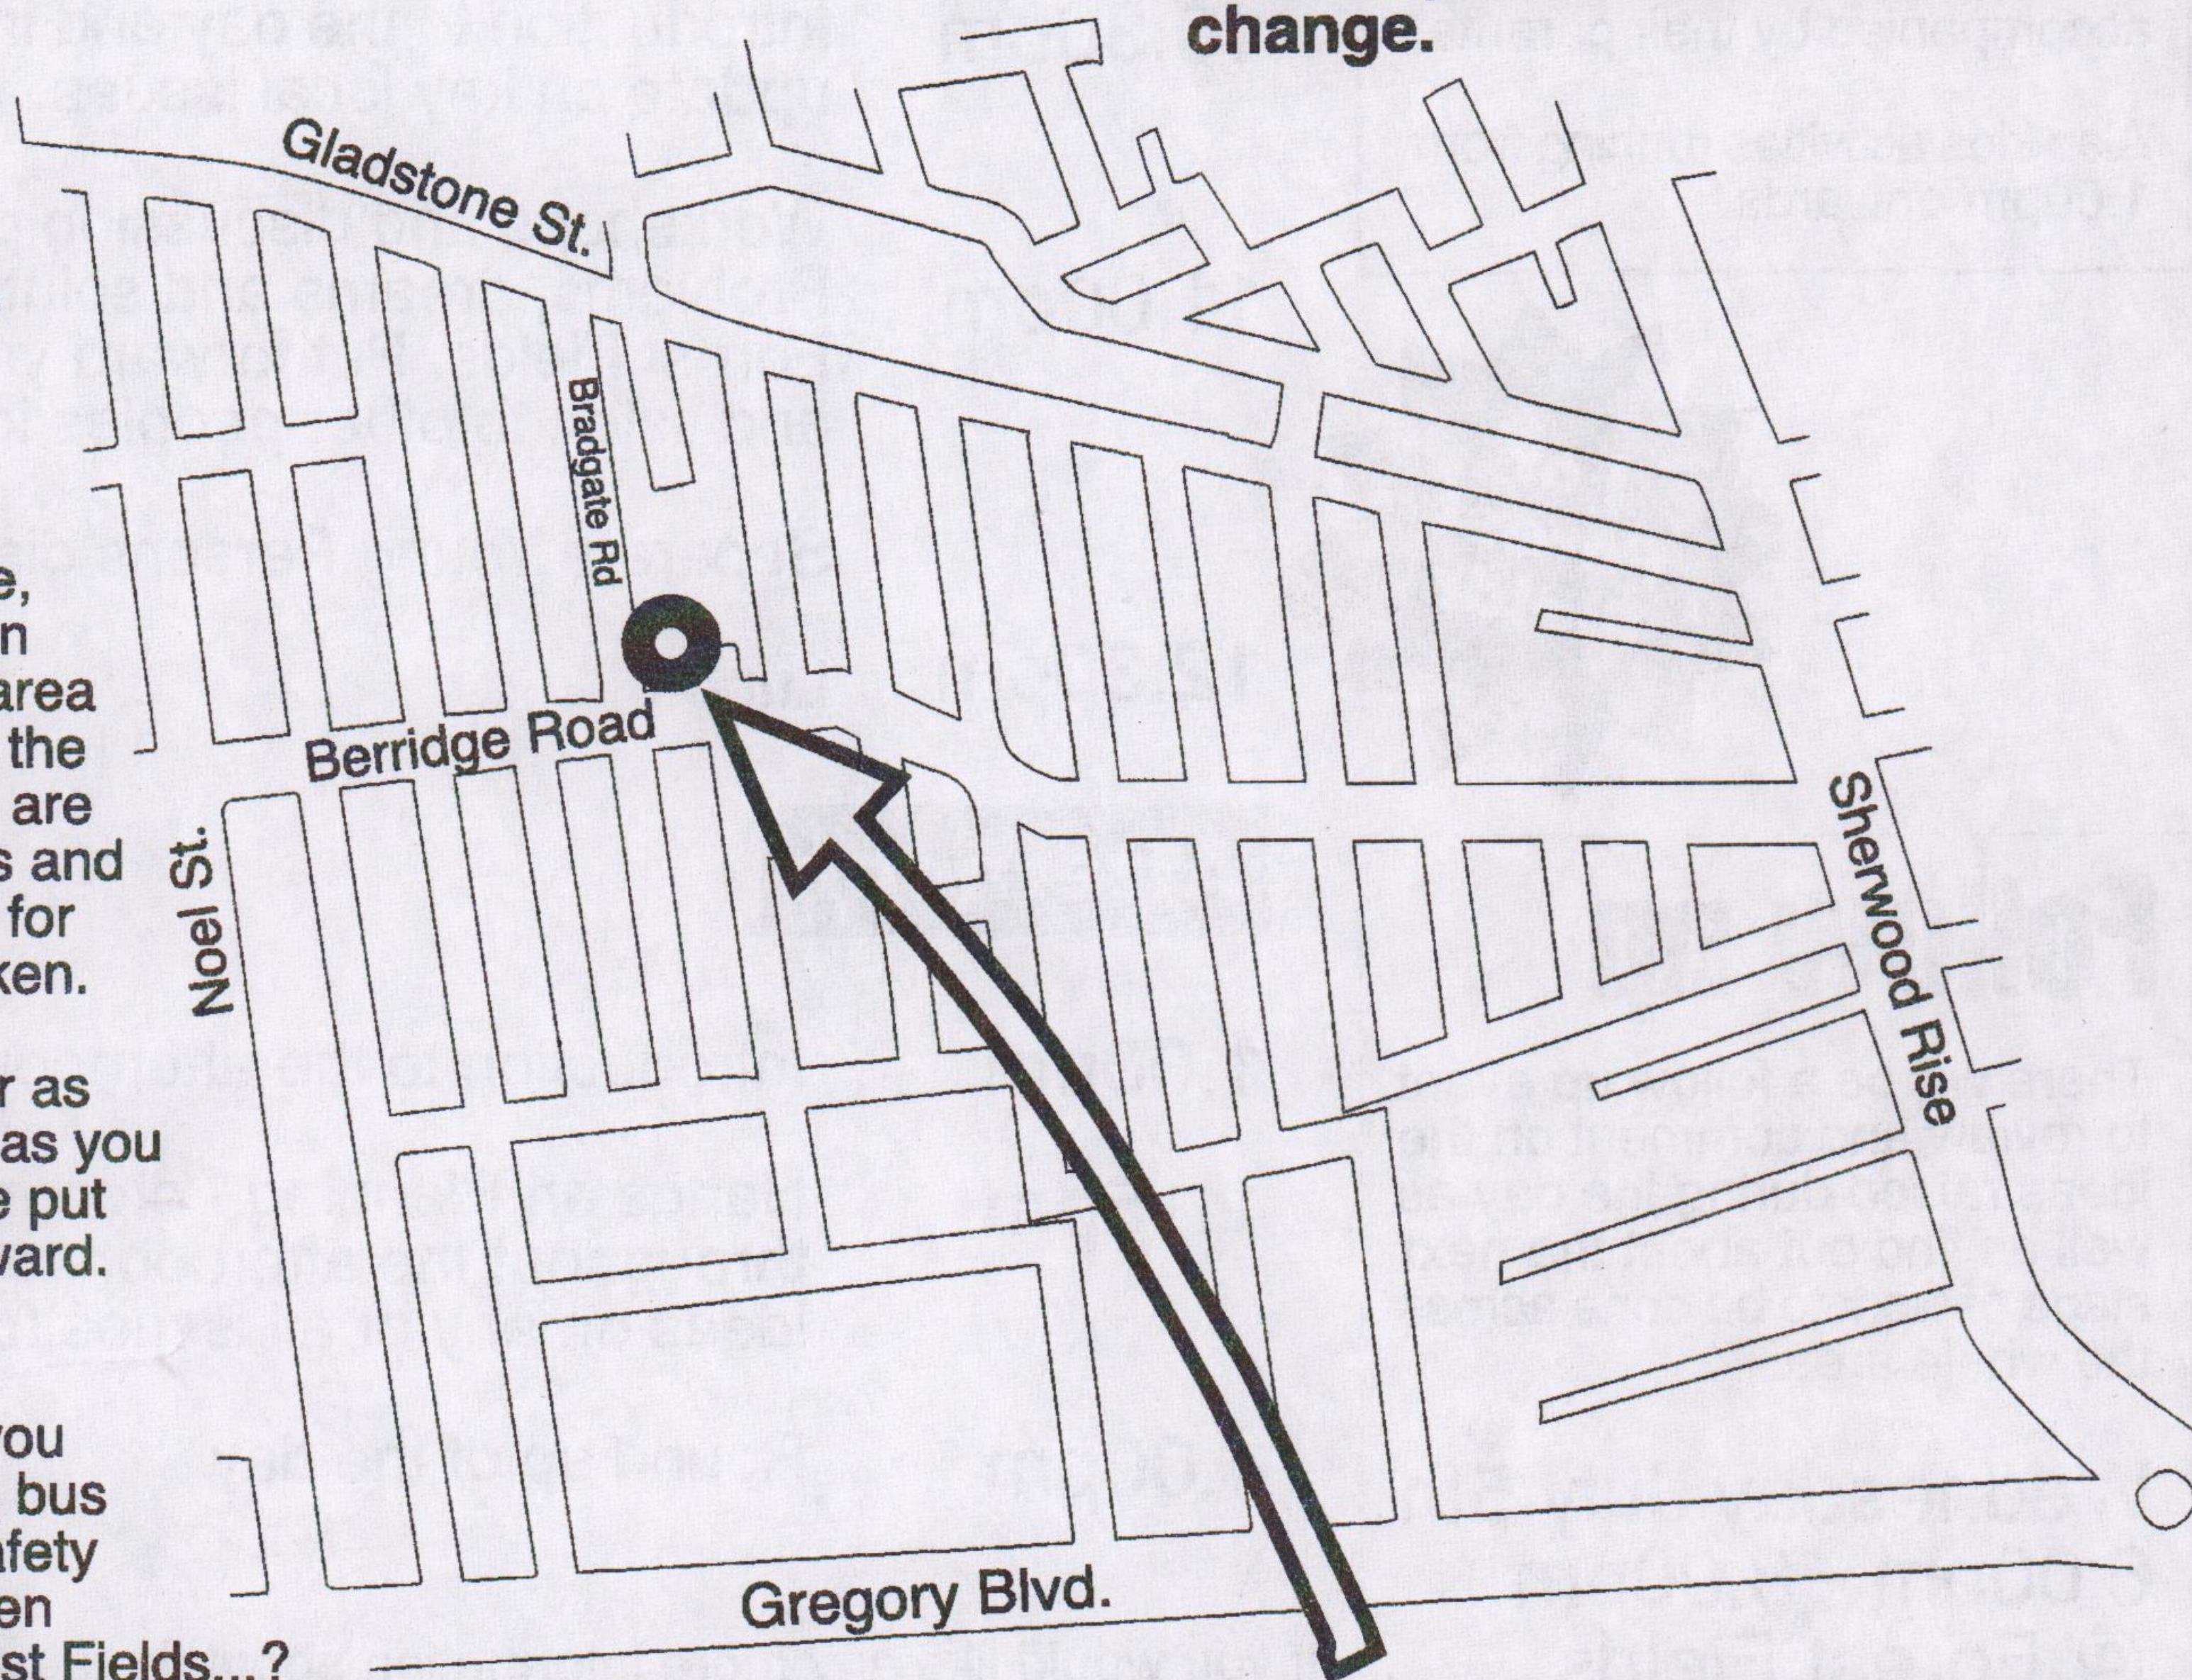

The day will bring together people who live, work or have an interest in the area to look at what the existing issues are in Forest Fields and work out ideas for action to be taken.

Come along for as little or as long as you can, but please put your ideas forward.

Where would you put play areas, bus routes, road safety measures, green spaces in Forest Fields...? These are just some of the issues which will be asking you to look at in the hands on workshops. Come along and have a go at planning your ideas for the area and drawing them up on maps.

Free refreshments and a free creche will be provided throughout the event! (Creche is for 2 - 8 years and has limited places).

Call us if you need more details.

Planning Day

Saturday 17th June

Forest Fields Primary School

Berridge Rd, Forest Fields

10.30am-4.30pm

Everybody
welcome

Come for
the morning
or drop in during
