

LAST TANGO IN

Exposing the lies!!

VIETNAM

HOWDY PARTNERS!!

(Despite appearances, this is not a 'fanzine', cos we're not 'fans').

LAST TANGO IN VIETNAM INTENDS TO TRY & OPEN UP PEOPLE'S EYES ON THE WAY SOCIETY CONDITIONS US. NOT NECESSARILY TO CHANGE PEOPLE, BUT TO SHOW THEM POSSIBLE ALTERNATIVES. ALSO TO GIVE PUBLICITY TO BANDS, SOME OF WHOM WOULDN'T OTHERWISE RECEIVE ANY. FINALLY, WE WILL TRY AND ENCOURAGE PEOPLE TO DO THINGS FOR THEMSELVES, BY SHOWING THE WAYS IN WHICH THEY CAN.

HAVING 2 EDITORS MEANS DIFFERENCES OF OPINIONS ARISE. WE'RE GOING TO COUNTER THIS BY STATING OUR JOINT OPINIONS HERE & NOW:-

WE ARE OPPOSED TO WAR, VIOLENCE, VIVISECTION, THE HIERARCHY, THE WAY RELIGION USES PEOPLE; WE ARE IN FAVOUR OF THE RIGHT NOT TO WORK AND FREE ABORTION.

OBVIOUSLY THAT IS A RIDICULOUSLY SHORT SUMMARY, BUT IT GIVES US SOMETHING TO BUILD ON. INCIDENTALLY, WE DISAGREE ON SUCH SUBJECTS AS PATRIOTISM, RACISM & BLOW JOBS!!

THE ONLY WAY THIS PUBLICATION CAN GET BETTER IS IF YOU WRITE TO US AND GIVE YOUR CRITICISMS AND VIEWS. IF YOU'VE NEVER DONE ONE OF THESE TYPE OF THINGS BEFORE (OR NEVER EVEN SEEN ONE) THEN WHY NOT WORK OUT YOUR OWN PAGE AND SEND IT IN TO BE PRINTEDD IN LTIV? IT'S EASY TO DO. WE CAN'T PROMISE ANYTHING, BUT IT WOULD VERY PROBABLY BE PRINTED.

LETTERS ABOUT ANYTHING ARE MORE THAN WELCOME & WILL BE REPLIED TO. HOPE TO HEAR FROM YOU SOON..... GERARD & JANE

STAMP SELLOTAPING

A FRIEND OF MINE RECENTLY MADE ME AWARE OF A TERRIBLE CRIME THAT YOU MUSN'T DO, COS IT'S VERY NAUGHTY.

WHAT SOME (VERY NAUGHTY) PEOPLE DO WHEN THEY POST LETTERS IS TO PUT SELLOTAPE OVER THE STAMP (FIG 1), COMPLETELY COVERING IT. HENCE, WHEN THE POSTMARK GOES ON THE STAMP, IT CAN BE WIPED OFF AND THE STAMP CAN BE USED AGAIN.

BUT A REMINDER, YOU MUSN'T EVEN THINK OF DOING THIS, BECAUSE IT IS A VERY NAUGHTY THING TO DO.

I AM MOST DISTURBED BY THIS TREND & I JUST HOPE THIS ARTICLE HASN'T ENCOURAGED ANY OF YOU, THE READERS OUT THERE, TO DO IT.

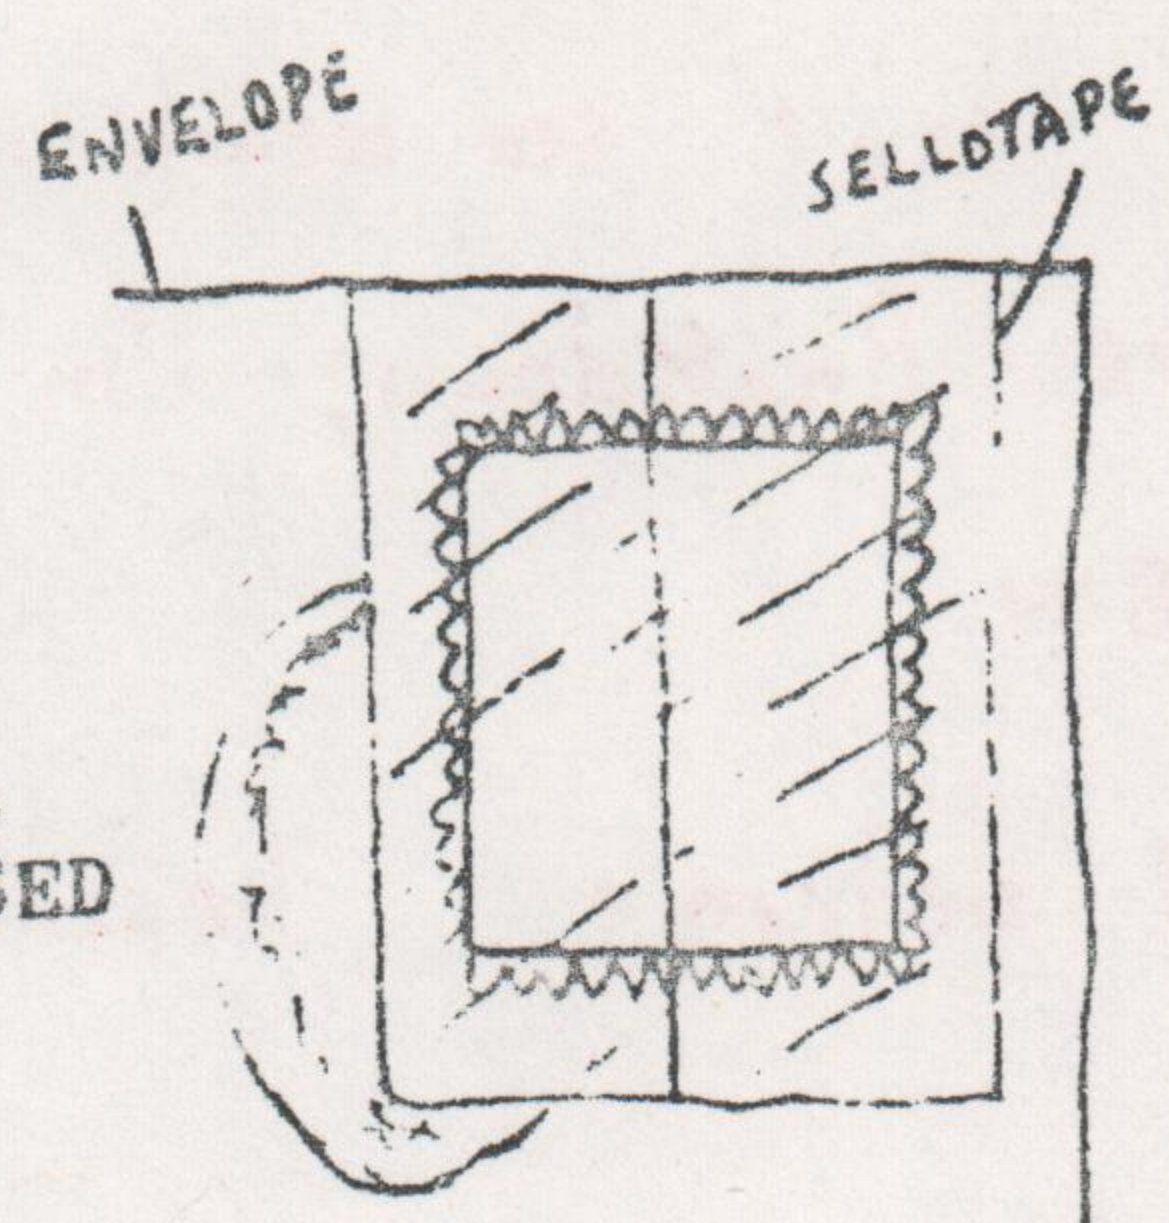

FIG 1 Upright Citizen gets annoyed as he sees people getting something for nowt.

TIME FOR TRUTH

"THEY CRIPPLE HER WITH CORSETS AND THINGS THAT MAKE HER WEAK AND CRUCIFY HER INSTEPS AND SMEAR PAINT UPON HER CHEEKS"

FROM THE MOMENT SOMEONE IS BORN, THEY ARE TOLD/ SHOWN WHAT TO LOOK AND ACT LIKE. THIS IS DONE BY CREATING THE STEREOTYPE PERSON: A FICTICIOUS CHARACTER WHO IS ALWAYS HAPPY. THE PUBLIC ARE THEN LED TO BELIEVE THAT CERTAIN THINGS MAKE THE

STEREOTYPE HAPPY (AND THEREFORE, THEY ARE LED TO BELIEVE, MAKE THEMSELVES HAPPY TOO). WITH WOMEN, THE MAIN 'HAPPINESS-GIVER' IS GETTING MEN CHASING AFTER HER....THIS IS SUPPOSEDLY DONE BY MAKING THE OUTER SHELL 'ATTRACTIVE'. YOU ARE NOT ALLOWED TO ACTUALLY LOOK THE WAY YOU DO LOOK, YOU'VE GOT TO TURN YOUR SHELL INTO A SHELL THAT LOOKS AS NEAR AS POSSIBLE LIKE THE STEREOTYPE. YOU CAN DO THIS BY PAINTING THE SHELL (KNOWN AS MAKE-UP), CHANGING THE SHAPE OF THE SHELL, (DONE WITH CORSTES, DIETS, HIGH-HEELED SHOES TO HOIST THE SHELL UPWARDS ETC).

THE STEREOTYPE FIGURE IS DRUMMED INTO ALL OF US...NOTICE HOW EVERY ADVERT SHOWS PEOPLE WHO ARE ACCEPTED BY SOCIETY AS GOOD-LOOKING, SEXY ETC ETC...NOTICE HOW EVEN YOUNG CHILDREN TEND

"BUT SHE THAT CAN MAKE A BABY IS A WOMAN THAT'S FULL GROWN AND SHE WILL TAKE HER BODY BACK WITH A MIND THAT IS HER OWN"

TO ALIENATE ANYONE WHO DOESN'T LOOK LIKE THE CHILDREN ON T.V. ALL I'VE SAID SO FAR IS BLATANTLY OBVIOUS, BUT SOCIETY HAS A VERY CLEVER WAY OF DISGUIISING IT FROM PEOPLE. PEOPLE ARE LED TO THINK THEY HAVE A FREE CHOICE IN THE MATTER: "I DON'T WEAR MAKE-UP TO IMPRESS BOYS, I JUST FEEL COMFORTABLE IN IT"...AND SO PEOPLE THINK THEY ARE NOT CONDITIONED. WHAT THEY DON'T REALISE IS THAT THE REASON THEY FEEL COMFORTABLE IN MAKE-UP IS BECAUSE IT'S THE DONE THING. AND OF COURSE, THEY'VE GOT TO BE PREPARED JUST IN CASE HUNKY MR RIGHT IS WAITING ROUND THE CORNER. WHICH IS FINE IF YOU DO LOOK LIKE THE ADVERTS, BUT WHAT IF YOU DON'T??

ANIMAL - BASED CANCER RESEARCH IS A FRAUD

YOU CAN HELP LABORATORY ANIMALS THE PRICE OF FUR AND NOVELTIES

The english ignorance.

You shout in disgust at what they do abroad, animal based cancer research is a fraud. You yell in disgust at what they do to dogs abroad, but the screams in britian are being ignored. Your life is built upon cruelty and pain, a cat with an electrode implanted in it's brain. The things they do here are a disgrace, put a monkey in a shuttle and send it into space.

Animals die in agony to test new cosmetics, consuming weedkiller without an anaesthetic. Stop the L.D.50 animal poisoning tests, turning harmless creatures into drug addicts. The things you do to yourself are up to you, so why should they suffer because of you. They lie to us in a false search for medicine, what do you know about Vivi-section?

Cat with electrode implanted in its brain

90,000 experiments are performed every week on living animals in British laboratories.

Animals are poisoned to death with lipsticks, weedkillers, paints, oven-cleaners, shampoos, fly-sprays etc. 83% are conducted without any anaesthetic at any stage.

this killing to stop. It is virtually impossible for a man to continually wield a club with sufficient force to render a seal pup unconscious with the first blow in hostile and frozen working conditions. It could take several blows on the head to make the pup unconscious; it could still be conscious when the hunter's knife slits its throat to bleed it to death before skinning; and it could still be conscious even when the skinning process starts. That's cruel.

This dog will be killed to prove by autopsy that the alcohol she is force-fed has damaged her liver.

Animals dont drink and animals dont drive, cos as to theyre destined to die. Animals dont wear make up or use paint, a licit scientist enjoys inflicting pain. Animals dont drink alcohol or drop bombs, but because we do the torture goes on. And because you want to look so attractive, theyre poisoned to death on a new lipstick.

The young seals are harmless, they threaten nobody, not even their own environment. They provide no essential food and their annual slaughter couldn't even be justified as 'sport' since the creatures are too small and helpless to escape. No, the death sentence that they are born with is their beautiful white fur. So attractive, so flattering, such ingenious little novelties can be made of it. It is the fur trade which supports the annual hunt for the baby seals. There is no other reason for the massive slaughter of up to 180,000 pups each year. (In 1980, the hunters killed 183,000, three thousand over the quota; in 1976, the hunters slew 40,000 over the quota and for these gross violations, not a single sealer has been arrested or convicted!)

ANIMAL AID, 111 High Street, Tonbridge, Kent TN9 1DL.

IT'S THE ENGLISH WAY, THE ENGLISH IGNORANCE, BUTY THEIR ATTITUDE IT'S UP TO YOU. ANIMALS ARE CRYING ANIMALS ARE IN PAIN, ANIMALS WILL HIDE ANIMALS SCREAM AGAIN, AND AGAIN, AND AGAIN, AND AGAIN.
YOU SUPPORT TORTURE. LES/ANATHEMA/92.

FRENZY!! by BOBBIE .

Slam the door! Echo through the night
 Abnormal boy, hidden from sight
 Padded walls, an iron bed
 The boy is alive, but his brain is dead
 Haunting visions fill his dreams
 Come to life with piercing screams
 Injections or tablets, morphine or gas
 His name will be mentioned in the Sunday Mass
 Rocking to & fro, his speech unclear
 His head tilted sideways, his eyes full of fear
 The nurse looks in, it's getting late
 The boy has recovered from his frenzied state
 Who would care if the boy screamed all night?
 The nurse gets paid, so she's alright
 We couldn't give a damn, we don't care
 We don't know the boy, he's not our affair
 Hypocrites make up the human race
 The boy should be out here, and us behind gates.

BROKEN PEOPLE by GERARD

Broken people who've been hurt before, don't wanna be hurt again.
 These are the only people I care about, I shed a tear for the cruelty of mankind.
 I know too many people who are broken & won't let me try to help mend them.
 But that can't stop me trying.
 Frustration. Hurt. Sorrow. "Boy's don't cry". This one does, a lot.
 Broken people. Tried once. Hurt once. Once was enough.
 Mr. & Mrs. Be nice to each other. Only it's never like that.
 Broken people think it never will be. Sucked dry of all emotion & trust.
 By the leeches of mistrust & death.
 Broken people don't get me down by themselves being broken.
 Only when they won't trust me. Selfish huh? When their brokenness blinds them
 From seeing me, and all they see is another potential breaker.
 And so I too become a broken person. Rejected. Untrusted. Unloved.
 There must be a better way to communicate & live. There must be an alternative to
 All this. We all want the same thing. Love. Unhip to say that.
 Unhip, but true.

WHAT PRICE LEATHER??

⑩ You say you believe in freedom, you say you don't want to force your views on anybody else. You say you don't want war or violence. You say you oppose dictatorships who believe they are the master race.

Yet you wear a leather jacket or trousers, you don't believe in any form of violence yet you think you have more right to that skin than the animal who was born with it. The reason you are wearing a dead animal skin might be either for fashion purposes or to keep you warm but you are still creating a market for the slaughter of innocent animals you are giving your money to the murderers who are greedy, they will massacre millions more because people buy the skins. Just as people finance the killing so they can stuff their grubby little mouths with flesh and blood.

Just ask yourself how much did that leather cost you? a weeks wage? a couple of gigs? then ask yourself how much it cost the animal? it cost the animal it's life. How would you feel if someone kept you caged up in a small area with five of your best mates, force fed you until you were bursting and then smashed your screaming, crying little head open, and then even if you were not dead you would be strung up on hooks, steam cleaned then skinned. After your insides had gone to the local butchers shop and supermarket, your skin would be examined, go through cleaning and dying processes then end up then being exchanged for other peoples wage packets and gigs.

What would you do if humans were bread for their skins. Various peoples around the world in so-called un-civilised countrys still eat human meat. Cannibalism is condemed as sick by so-called civilised countrys, like ours, but it isn't really any different from eating cows, pigs, sheep etc. when a piece of animal flesh is cooked the vienes and tissue disintegrate, leaving just the meat, the exact same thing happens with human flesh it would look the same, taste the same, and anyone who eats animals wouldnt know the difference.

The shameful thing is that animals have no power to object to the slaughter, they cannot speak up for themselves, but you can refuse to be a part of the horror, refuse to receive the goods, refuse to wear leather clothes, there are lots of alternatives to leather, why not use them?

At gigs leather jackets are the fashion, the anti-fashion crowd with in-fashion taste. Gigs look like a slaughter house rack, hundreds of dead animal skins on parade. A product of a sick society.

I'm not saying I'm right and everyone else is wrong, far from it, I am just stating my views on the senseless killing of innocent animals. It is the same mentality as mercenaries I object to. Meat means murder - murder means money.

ARE YOU OPPOSED TO BLOODSPORTS?

If so you're in good company. All opinion polls ever commissioned on the subject have shown that the majority of the general public are opposed to them.

Bloodsports have no place in an enlightened 20th Century. They are a relic of our feudal past which serve only to titillate the jaded appetites of unimaginative and callous people. Bloodsports are cruel, unselective and totally inefficient even if one does happen to consider them a form of control - all they manage to do is upset the balance of nature.

A National Opinion Poll has shown that 70% of all farmers don't consider the number of foxes on and around their farms to be harmful and the Ministry of Agriculture has stated that "the loss of lambs to foxes does not constitute a loss of economic significance to the farming community nationally".

Hunting is a deliberately inefficient form of control in any case for, without a large number of the quarry species to hunt, there would be no fun. Hunts openly admit to encouraging quarry species to breed. In spite of claims to be conservationists the bloodsporting fraternity continued to hunt the now protected otter on English and Welsh rivers long after the population had declined to a dangerously low level: indeed the same rivers are still being hunted by former otter-hunters in pursuit of mink and coypu.

The "sporting" aspect of hunting is a myth. The quarry is chased until it's exhausted. Foxes regularly find the sanctuary of their earths deliberately blocked with stones or sticks and have to stagger on until overwhelmed by the pursuing hounds. Even if they do reach an unblocked earth they are often bolted by terriers and hunted again; otherwise the hunt's dirty work boys, the "terrier men", will dig down to the terrified creature and kill it by smashing its skull in with their spades, shooting it or throwing it to the hounds. Mutilation of the hunted animal's body for trophies is a regular occurrence on all types of hunt, particularly stag and fox hunts.

Stag hunter distributes stag's heart and liver to children in at the kill.

"FEW NOVELS CAN CHANGE YOUR LIFE - THIS ONE WILL...."

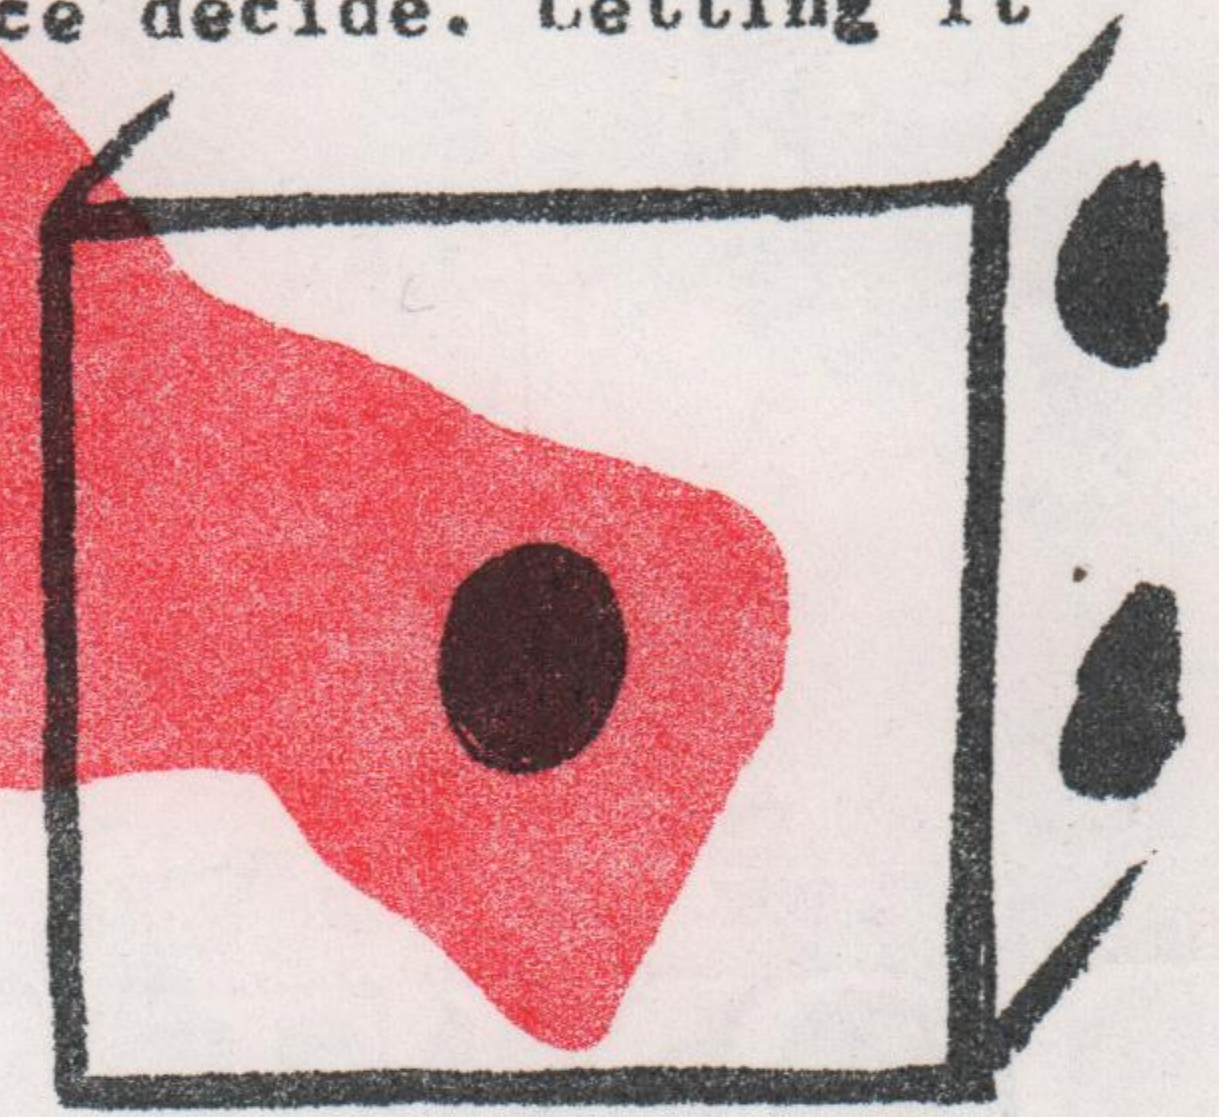

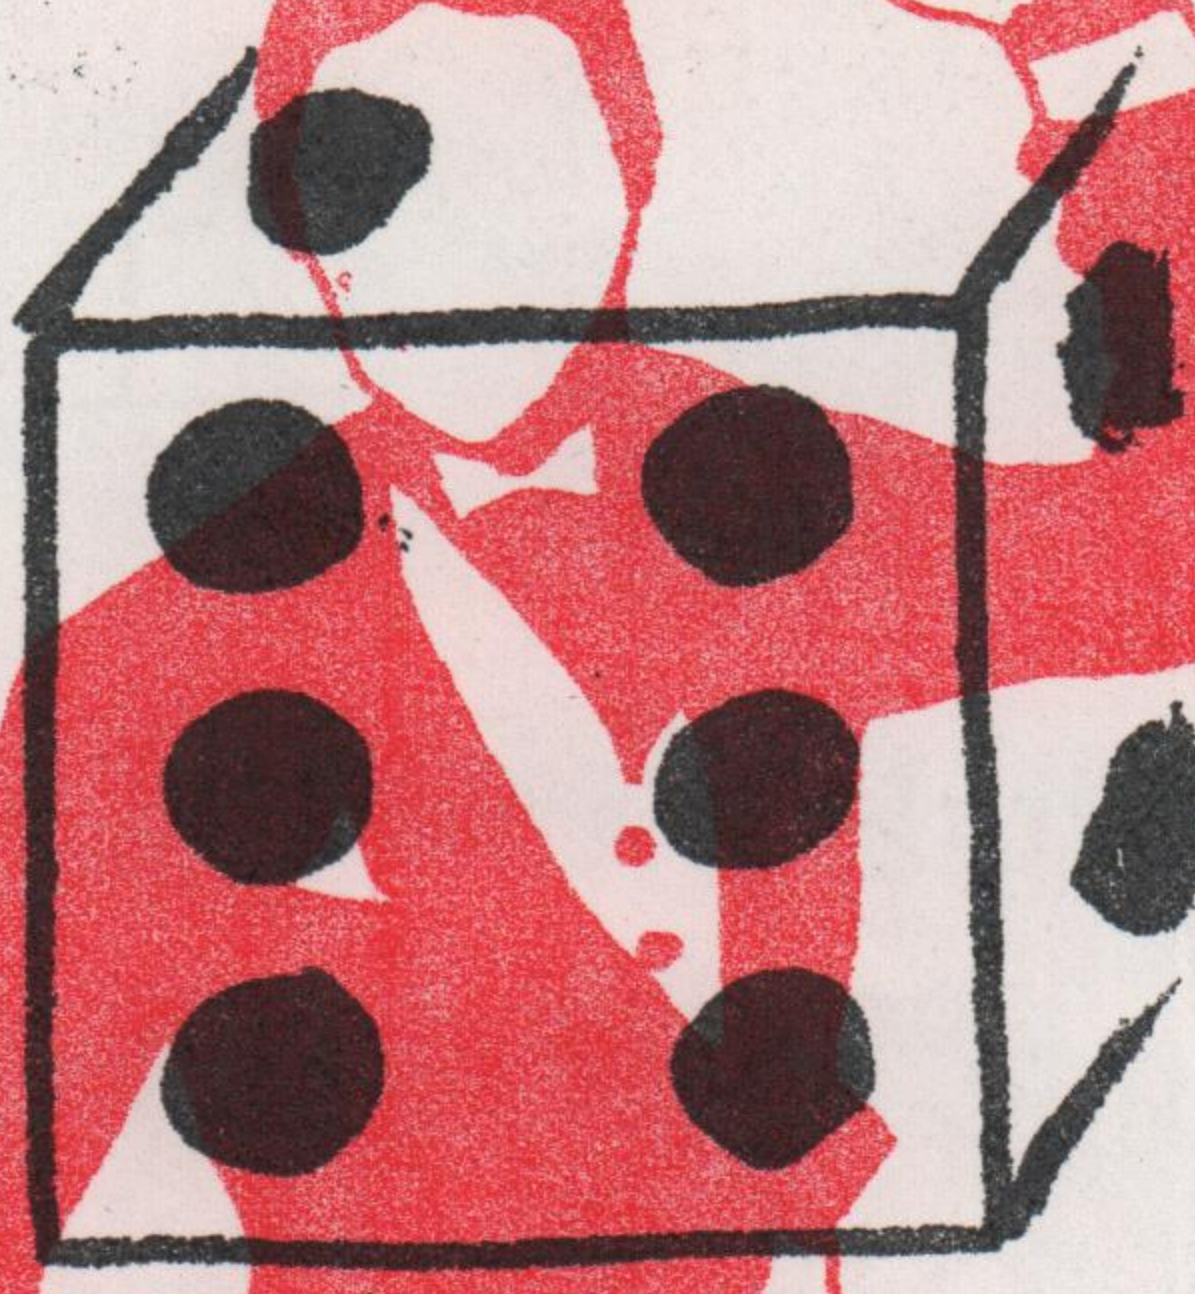

Imagine making small decisions by throwing a dice. Imagine then going onto larger decisions & letting the dice decide. And then putting in more outrageous options and compelling yourself to act them out should the dice choose them.

Letting the dice decide. Letting it

run your life. A six-sided block of wood changing your ways totally.

And imagine the effect it would have....

The book is called "The Dice Man" by Luke Rhinhart. It is available from Boots, because that's where I got my copy from. 430 pages. ££££1-95.

Alternative London

"Alternative London" is the title of a very practical book which deals with many aspects of living an alternative life

in and around London. It's got bits about housing (inc. squatting), d-i-y handy hints, what to do when in trouble with the police & lots more that I can't remember cos I couldn't afford to buy it. It costs about £3, but its worth it cos it's so helpful.

What I cannot accept is anything which
turns man against his brother. Anything
which tells man to kill.

Taking away religion would net selve the
problem of violence. Nothing Negative ever
does. People would just look for other
excuses. But, if you could get people to
believe in themselves then you would be
making a start.

Religion in itself is not evil, but it is
used in many evil ways. For power, for money
