County Council Elections - May 2nd - Don't forget to vote!

Spring Murals at Stonebridge

Sneinton Loop Road

اردو میں خلاصہ صفحہ 6 ملاحظہ فرمائیں۔

***** See pages 8 and 9 ***** URDU SUMMARY PAGE 6 *****

The 'Big Brother' attitude of this government is easily seen when 1500 troops are used to evict 200 peaceful families from a field, it is a short step till the streets of Sneinton resemble those of Northern Ireland.

How many residents of Sneinton fell on the glass-like pavements this winter? Thatcher regards spending money on gritting as a waste but millions spent on arms are 'value for money'.

Every day people die through want of Kidney machines, operation queues grow longer, young people are driven to suicide through boredom and want of real work, council houses rot through lack of funds and schools are forced to close.

To Thatcher these are all a waste of money. Weapons, (or rather the projects that go to the Military industrial complex) are value for money. It's time that you did something - after all time is running out.

Tim Beales

Dear Editor,

As most people in Sneinton now know one of the local Comprehensive Schools closes in July of this year.

St Bernadettes school is a big complex of buildings which could be used in many different ways to benefit the community. Interest has already been shown by the Arnold and Carlton College's Y.T.S. scheme and the local Health Authority. The hope is that in the event of one of these purchasing the building, they would consider incorporating community facilities into their plans.

Recently local people have started a committee to campaign for a community centre for the Cardale/Bakersfield area, where amenities and resources of all kinds are sadly lacking.

With the large size of the school, obviously not all of it would be suitable, but with a little alteration the front part facing on to Sneinton Dale would convert easily into a community centre.

We need your help! Tell your friends in the Bakersfield area too to join us! If you would like to know more contact me on 503941.

Gail Maxfield, Bakersfield and Neighbourhood Community Association.

Letters

Dear Voice

Though May seems distant at the moment, the Notts. County Council elections will be upon us before we realise. They take place at a time when local government and thereby local democracy, is under increasing pressure from central government to cut back on services and jobs provided for our benefit.

As an education authority, Notts. County Council is making strenuous efforts to resist attempts by central government to seriously damage the standard of education received by our children. The proportion of elderly people is growing all the time, here the County Council has a vital role to play in providing all manner of support to enable them to live in safety, in comfort and in touch with the rest of the community. Which way we vote on May 2nd will decisively affect those services mentioned above and all the others under the influence of the County Council. Look at the policies of the candidates standing in Sneinton and decide whether you think jobs and services are worth defending or whether they deserve sacrificing through a narrow-minded and short-sighted attitude towards our local authority.

Mick Cassidy

Dear Editor

About two weeks ago government troops swept into Molesworth and began constructing an outer fence in a display that made no attempt to hide the alarming tendency that Thatcher's Britain is turning into a paramilitary state.

Molesworth, near Cambridge, is a mere 60 miles from Nottingham. The US wants to place 64 Cruise missiles there.

Molesworth was about 800 acres of open grassland, the only useful habitation was two peace camps and a church, consecrated by the Bishop of Huntingdon, and used by Christian CND; (consequently this church has been sealed inside barbed wire and access forbidden, how do practising christians feel about this action towards their holy ground?).

Sporty UB40

In 1983, Nottingham City Council and the Manpower Services Commission joined forces to develop sports for the unemployed at the Victoria Leisure Centre, Sneinton.

For only 25p 'Sport for the Unemployed' have a variety of day-time sports sessions including badminton, netball, squash, short-tennis, volleyball, pop-mobility, and for our more mature customers a special 50+ session every Wednesday.

Not content to sit on our laurels we are venturing towards new limits with ten pin bowling starting on the 27th February from 10.00 - 12.00 o'clock at the Nottingham Ten Pin Bowling Centre. There will also soon be leisurely cycle rides at places of local interest and natural beauty. A limited number of bicycles can be provided, (you need to book one by phone) and for the more adventurous there is canoeing on the River Trent.

4

Unemployed housewives can also get away from the normal chores with Creche facilities, (for the under 5's) running at only 10p per child at the ladies pop-mobility sessions.

With all the equipment being provided by the helpful sports staff, and free coaching given where and when required, Sport for the Unemployed at the Victoria Leisure Centre is literally going places.

We are situated next to Sneinton Market on Gedling Street, so why not jog along there and pick up a leaflet from reception or phone Nottingham 506271 for further information.

▶ CHECKPOINT ▶▶▶

■ CHECK US OUT AT 147 SNEINTON DALE.

Jack Tars 1st.

The JOLLY JACK TARS were founded in Nov 1983 and our 67 members range, in age, from 3yrs to 15yrs. Recently we were pleased to accept a donation of £1,000 from the Cattle Market Tavern which means that we can get our first competitive season off to a flying start.

On Sunday 27th Jan we entered our first indoor competition in the Central Derbyshire League. After a nervous start by the Kazoo section, the drummers went on to give a marvellous performance to come 4th overall. Although out of the medals we think that they did exceptionally well as they were competing against 12 other experienced bands. Best news of the day was that 12yr old Nicola Shaw had taken 2nd place in the Drum Majors section and our two 5yr olds, Danial Millar and Vincent Behan, had taken 1st for Shield Bearers. All in all the whole band had a marvellous day and are looking forward to the forthcoming outdoor season. Anyone who wishes to join the Jack Tars should contact Lynn or Hazel at Tricketts Yard, Tuesdays and Thursdays, at 6.30pm.

EASTER PLAYScheme

There's only one playscheme running during the Easter holidays and this is taking place at the Sneinton Youth and Community Centre, Beaumont Street (near Sneinton Health Centre).

The scheme is multi-cultural, concentrating on Asian children during the first week and the rest of the community the second week, although all children will be welcome at any time. Activities include outdoor and indoor sports, handicrafts, cookery and discussions. Age range 5 to 14 year olds.

The playscheme is on from April 1st to April 5th and from 8th to 12th April. There are 2 sessions a day: 10.00 am - 1.00 pm and 2.00 pm - 5.00 pm.

Kidding Around!

At the time of writing, we are surrounded by snow and ice. The water in the animals drinking buckets keeps freezing, all the pipes are frozen, and one of our more valiant volunteers is attempting to hack away at the ice on the duck pond while the ducks watch with bated breath.

We're all looking forward to the spring when our three month old calves (Isabelle and Jezabelle) will have their first experience of life outside the barn. In addition, the two sheep are due to lamb in April and three of the goats will be kidd-

ing around the same time.

All in all, spring will be a very busy time for us. Last year we grew a good supply of vegetables which we sold to the local community and we plan to do the same again this year. Within the next few months we also aim to improve the fencing and to paint the barn and office buildings. This, together with the very attractive murals

that are currently being painted, should make the farm more attractive.

The farm is open every day of the week between 9.00 am - 5.00 pm. Visitors are always welcome whether its to just look around or to help.

Rail Sale

Indications are that British Rail are likely to sell most of its land bordering on Sneinton. The release of the series of sidings and embankments, stretching from London Road to the racecourse, could have a major impact on the area.

Notts County Council have long had an interest in the land, due to a planned loop road which must pass through the area. Depending on the route that is finally decided for this road, a wide variety of new developments could take place.

New housing, industrial development, open ground including recreational facilities and the construction of a Sneinton railway station are all possibilities. The vital first stage in any decision about the use of this land is the route of the new road.

The County Council has plans for constructing the road along a series of disused railway embankments. The route would be from Manvers Street just touching Pownalls scrapyard, crossing Meadow Lane about 150 yards from Hermitage Square and then passing close to the Radbourne Road and Whittier Road areas to join an enormous traffic island in the area of the Parliament Street Meths sports ground. The route would separate Sneinton from virtually all of the British rail land.

An alternative route has been put forward by the City Council. They suggest that Daleside Road could be used instead, and would be joined to Manvers Street by a shorter new section. This alternative would be slower for traffic. There would need to be new traffic lights at the Trent Lane/Daleside Road crossing, and either lights or roundabouts at both Magpies public house and the junction with Manvers Street. The alternative route however would allow additional land to be made available to Sneinton.

Which route is chosen will also affect the flow of traffic into Sneinton. It is ironic that the County Council plans (the "County route") show access via Meadow Lane, making the County Councils controversial road scheme at Hermitage Square redundant. The City Councils alternative (the "city route") would continue to allow traffic to enter Sneinton along Sneinton Hermitage.

Undoubtedly the City route opens up greater alternatives for Sneinton. Industrial development could take place beyond the new road while the area between Sneinton and Daleside Road could be developed for housing and recreation. And possibly a railway station on Trent Lane.

One feature that both plans have in common is the traffic island complex at the eastern end of Dale-side Road, which will be the junction between the loop road and another new road.

Work is due to begin in 1986 on the Sneinton Dale link, which will stretch north from the loop road, largely using the disused railway line. The route would pass between Colwick Woods Court and the Ginger Tom Public House. The current plan shows the height of this road to be level with the fifth floor as it passes Colwick Woods Court.

The traffic island complex will therefore also be at this level as will part of the loop road. Inevitably the whole complex will be something of a monstrosity, dwarfing neighbouring housing particularly if the county route is chosen.

TRACS is currently researching the situation, and trying to inform the Sneinton public. A survey is being conducted to find out what people think. We have, on the one hand the promise of new facilities in the area, and on the other the spectre of a fast road carrying heavy traffic, at rooftop level. We urge Sneinton residents to make their voice heard on this issue.

New Mental Health Centre

A new community mental health centre to help people who have been through a period of stress is being planned. It will be sited at the corner of Carlton Rd and St Mathias Rd, near the Co-op, and will serve people in Sneinton, St Anns and its surrounding areas. The project is part of an effort by Nottingham Health Authority to develop a community based service, As far as we know it is the first building of its kind in this country.

Following two public meetings in Sneinton and St Anns, a Link Group has been set up so that local residents can help plan the building and sort out the difficulties which inevitably arise with such a project.

Realising that not everyone was able to attend these meetings we want to tell you a little about the centre in this article.

The aim of the centre is to offer early, easily accessible treatment in pleasant surroundings as near to patients' homes as possible.

The service will work closely with family doctors in the area, and we hope to make it the first point of contact for a person suffering from

depression, anxiety, agoraphobia, and other common forms of mental illness.

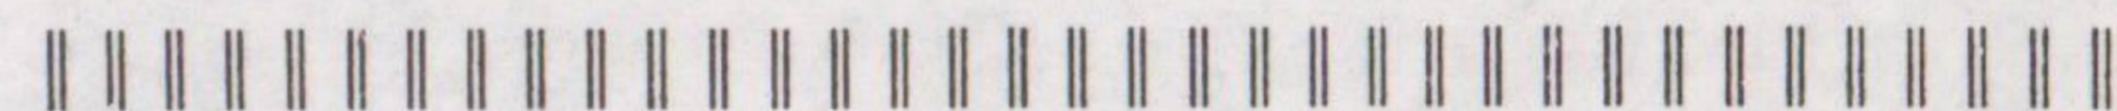

One person in four suffers from these sorts of problems at some time in their life.

The building itself will be two storeys high. The ground floor being for a Day Hospital, and the first floor for offices for Social Workers, Community Nurses and Doctors.

We hope the Centre will be used as widely as possible with evening activities, involving self help groups and other organisations, especially those concerned with the promotion of Mental Health.

Winners Gym would like to take this opportunity to congratulate the following club members on some marvellous achievements in 1984.

Owen Neil, who, in his first full year back in training, won first place in the Mr Midlands competition, then went on to come third in the Mr Europe in Blackpool, third in the Mr Universe in London and third in the World Championships in Yugoslavia. Truly a superb effort in such a short space of time, all eyes will be on him for the 1985 season which promises to be even better.

Also Rupert Foster (Rocky), who was 1st in Mr East Coast, 1st Mr Appollo and 1st Mr Plessey.

John Zamick, 1st Mr Nottingham, Errol Watson, 1st Mr East of England and Mark Buck, 1st Junior Mr Nottingham.

WELL DONE INDEED!

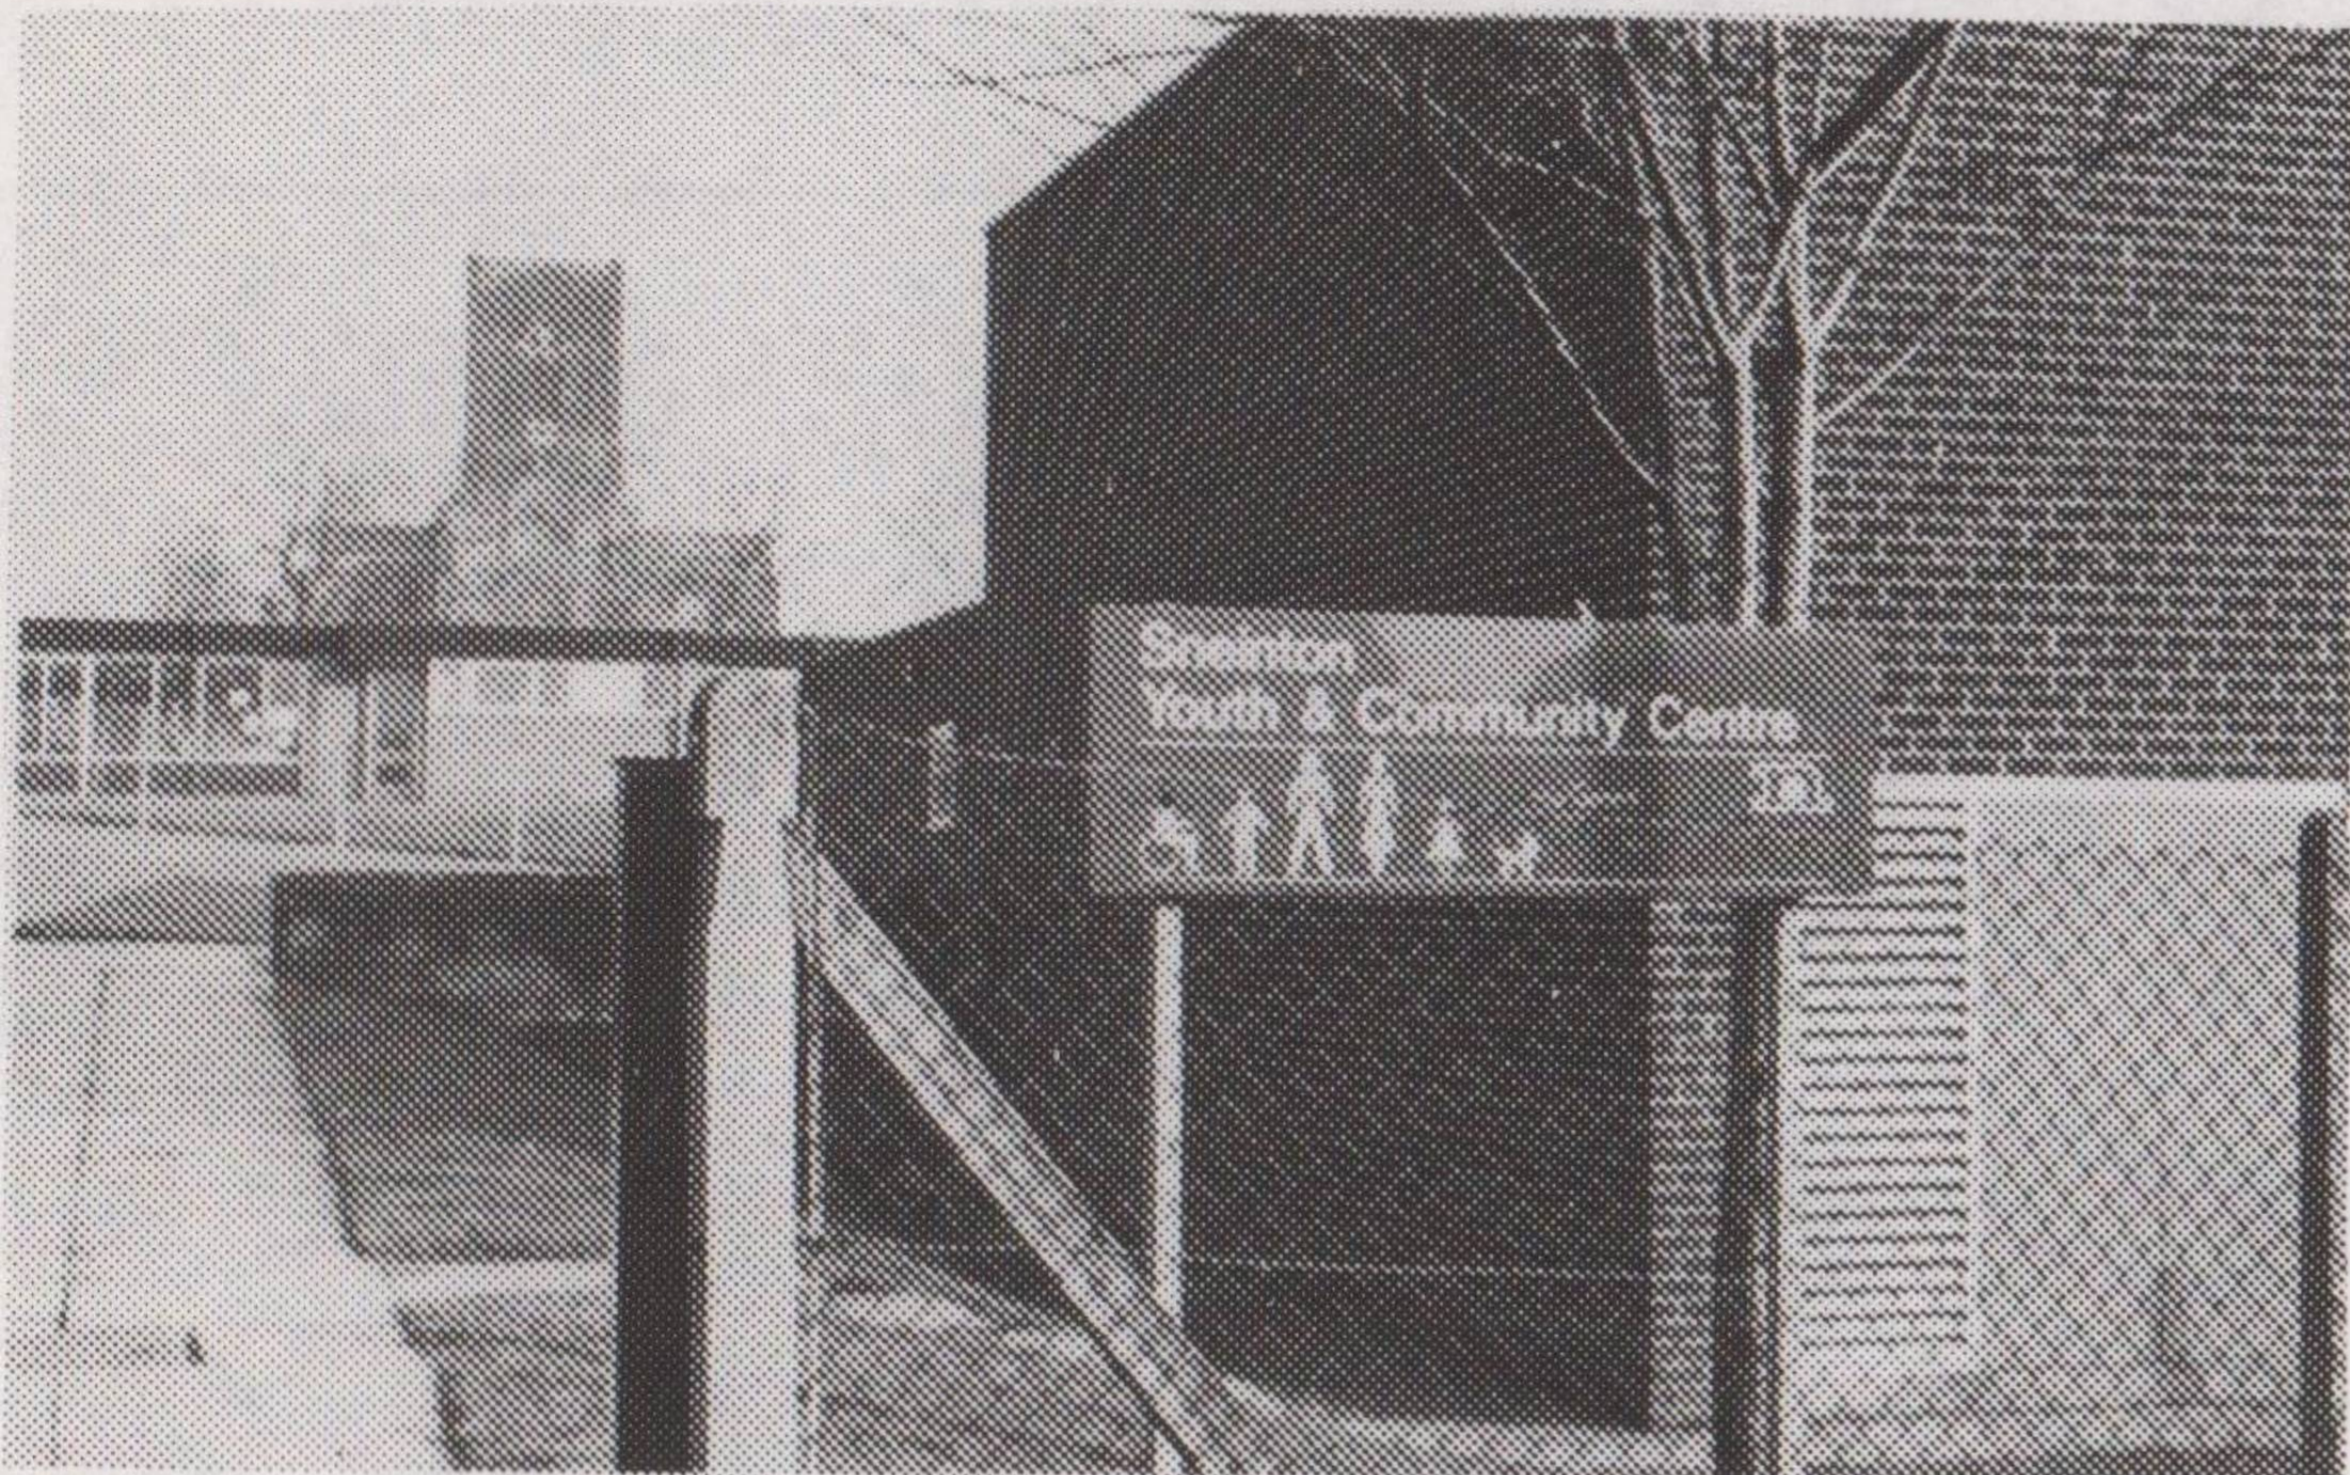

The Gym's martial arts and boxing section is now open and is available for hire on an hourly basis. We have leather, canvas and nylon punch bags, also speed balls.

For more information phone the Gym on Nottm 585200 and ask for Dave Cogman. New members to the gym often have trouble finding us, it would be advisable to phone first and we will give you directions.

What's on at....

An interview with Mr Ijaz Sayyed who runs Sneinton Youth and Community Centre on Beaumont Street by Mr M.R. Bhatti.

R.B. When were you posted to the Centre and did you need any special qualifications?

I.S. In December 1983 and I did qualify from the University of Leicester in this field.

R.B. Under whose auspices does it run?

I.S. The Nottingham City Council.

R.B. Does it open every day?

I.S. Almost all day, seven days a week. There is a senior and junior youth club and a Disco and Dance night every 3rd Saturday of the month for members and guests. Private bookings are also welcome.

R.B. Any other activities?

I.S. Yes, I have also started a Dress Making Class for Asian Ladies, a Shamma Girls Group which includes all sorts of social and cultural activities. Everybody is welcome.

There is a supplementary education class (Urdu) for Asian children and there will be Easter and Summer Playschemes.

Sports facilities are also available: Volley Ball, Short Tennis, Table Tennis, Badminton, Darts, Football, Carom Board, Pool, TV/Video etc. Facilities for meetings and social gatherings are also available.

I also give advice and guidance on careers, jobs and social problems.

R.B. Any other thoughts?

I.S. Yes, I think the Community is not fully aware of the facilities this Centre can provide. I

would like to request that all members of the Sneinton Community make use of the premises and facilities available.

R.B. Thank you very much Mr Ijaz Sayyed.

For further information please contact Ijaz Sayyed, Tel: 503803.

Save our Buses

"The people of Sneinton should oppose attempts to privatise our bus services" - This was the conclusion reached at a special meeting of local community groups called to discuss the proposals announced in the government's white paper.

The meeting agreed that bus privatisation will mean a drastic reduction in services with buses only running at peak times and on profitable routes. Pensioners and school children will lose their concessionary passes and safety standards will inevitably deteriorate. "I will do everything in my power to fight these proposals" said Roger Stenson, who has recently been selected as prospective County Council candidate by Trent Ward Labour Party.

It was decided to call a public meeting (like the one held recently at St Bernadettes School) to alert Sneinton people of the threat to their services. Experts on public transport will be invited to give their views, and local councillors will be given the opportunity to take part in a public debate.

Further details can be obtained from Phil Cheeseborough, 36 Loughborough Avenue.

U.F.O.'s

Founded in the 1960's, the Sneinton based Nottingham UFO Investigation Society (NUFOIS) investigates reports of UFO sightings not only from all parts of Nottingham and Nottinghamshire, but also from Derbyshire, where we have an affiliated group, parts of Lincolnshire and Leicestershire.

In the popular imagination UFO's, or flying saucers, as they are often called, are thought to be space craft populated by little green men, however, few serious students of ufology, as the study of UFOs is called, accept this idea, popularly called the extra-terrestrial hypothesis, and none of the hundreds of UFO sightings investigated by NUFOIS since its foundation lends support to it. We have discovered that the vast majority of UFO sightings relate to misunderstood but very mundane events, for NUFOIS has found reasons for the majority of sightings referred to it for investigation. Of course, some cases defy explanation, mostly because we cannot obtain essential data, but in a small number of sightings the particulars are so strange that no easy solution can be found so they remain not so much unidentified (flying object) as unidentifiable flying objects.

NUFOIS meets the first Tuesday of the month from 20.00 hrs at its headquarters, 443 Meadow Lane, and

we would be very interested in hearing from readers about any UFO sightings, phone 874615.

R.W. Morrell, President, NUFOIS.

PERMISSION REFUSED

Members of TRACS and the residents of Greenwood who attended the City Council Planning Committee meeting on Dec 13th were delighted when the Committee refused planning permission for houses to be built on part of Jesse Boot playing fields. But its not all good news. Standen Homes have lodged an appeal and the additional facilities that were to be developed at Greenwood Dale School have had to be postponed because the County Council say the money was to have been provided from the sale of the land.
