Dear Editor,

We have spawned a great DIY group up here on the hill. DIY? Yes! We realised that self-help is all that is available these days. Nobody else wants to know. In the midst of one of our regular grumble sessions, we discovered that our local Youth and Community Centre was under used and so we approached the manager, Ijaz Syed. With his co-operation and assistance we have opened the Centre to local youngsters on Saturday afternoons, and by the time you read this it will probably be opened Sunday afternoons as well.

A Keep Fit come Coffee morning will commence on April 25th, and a mother and toddler group is being launched at about the same time. (See diary for details). We also envisage the occasional social evening and coach trips during the summer holidays. Anyone from the area is more than welcome.

Come on let's all get it together!

Pat Hay

Dear Editor,

Earlier this year two Inner Area Programme meetings were held in Sneinton. The first took place so that local people could voice their grumbles and new ideas about what's needed in Sneinton. At the second meeting, 3 weeks later, officers and representatives of the City Council answered questions and took note of all the matters

raised at the first meeting. In addition, minutes from last year's meeting (1984) were discussed and questions were raised about what had or hadn't been done in connection with these.

The issues raised at this meeting ranged from litter, repairs to brick walls and mobility aids for the visually handicapped to the need for a police station in Sneinton and funding for community workers.

The idea behind these meetings is that by consulting with local people, the City Council can solve problems and spend money in the best possible way for Sneinton. The principle seems to be a good one, but does it work in practice?

The second meeting left many people feeling both frustrated and annoyed. There was far too much on the agenda to cover in one meeting. Issues raised at last year's meeting were still being discussed at 9.00pm, so when it should have been drawing to a close, the main body of the agenda was still to be tackled.

Consequently, everything was rushed, tempers were frayed and nothing was concluded satisfactorily. It seems logical that this meeting should be split into two separate ones and the content of these considered more closely - shouldn't we be talking about things which affect Sneinton or groups in the community as a whole, rather than dwelling on individual cases which should be sorted out routinely by the Council? Surely, it makes sense for the City Council to have a much closer look at the whole process of Inner Area consultation and hopefully to come up with some alternatives to the current procedure.

40 RECRUITS

We are a new team aiming to recruit forty girls and boys from 6 years to 16 years of age, to learn the art of Baton Twirling and would be grateful for any help in teaching the children.

We have only been going for a few weeks and are trying to raise funds by jumble sales, sponsored walks etc. We have raised enough money to buy our batons and in the near future hope to have a drum and kazoo section so we can do exhibitions.

This is the first team of this kind in Sneinton so if there is anyone interested in joining us - we meet Mondays and Wednesdays 6pm to 7pm at St. Christophers Church Hall, Trent Road.

Double Blow ?

For the past 18 months Sneinton has benefited from the advice and help given to community groups by two workers. Much has been achieved already but a lot more needs to be done and yet by September both will be forced to leave because the money for their work has run out.

The community worker, Celia Knight, has helped many groups, e.g. she advised TRICKETTS on how to get a grant to build an extension for a lounge and multi-gym, she advised TRACS in their successful campaign against the sale of the Jesse Boot School Playing Fields, and is now helping them in their bid to make sure that Sneinton's views are heard about the new roads and the sale of British Rail Land.

Tim Bullock, the Resource Centre worker, has enabled 30 community groups to make best use of the duplicator, photocopier and other

equipment, to produce newsheets, leaflets and posters. The recent T.R.A.C.S. survey was printed there as was the programme for the Bendigo Band gala and all the material for Sneinton Voice is typed there too!

Tim is employed on the Community Programme, one of the Government schemes which only lasts a year. All the groups using the Centre know that a permanent worker is what is needed rather than someone new each year.

The money for Celia's post was also for a fixed period and will run out right in the middle of some of her most important work.

The Social Services Department of the County Council supplied the equipment for the Resource Centre and provides Community Workers in other parts of the city. All the local candidates for the County Council elections recognise and support the work being done.

It's clearly the Council's responsibility to provide the money to ensure the vital work continues.

لوگوں نے۔ ایشین ومانڈروں نے۔ پنڈروں اور گورنمنٹوں نے اس بات خاص طور پر
دیا ہے کہ سینٹن کا پرائز پولیس سٹیشن پورٹن چاہیے۔ اور تعاقب پولیس کا ہونا بہت
ضروری ہے۔

فصاحی آبادی نے کہا ہے کہ عدالت میں پولیس کی موجودگی لازماً جرائم کو کم کرنے کا موجب
صنبتی۔ پولیس ایسی جگہ کی تلاش میں ہے جو گائیڈڈ پوائنٹ ہوگا۔ مگر عدالت
کمیونٹی اپنی مدد آپ کر سکتی ہے۔ ہمیں چاہیے کہ ہم مختلف گروپوں کو ایک پلیٹ فارم پر
لا دیں۔ بڑوں کے۔ بوڑھوں کے۔ نو جوانوں کے اور دیگر ایتھنڈ گروپوں کے۔ اور ہم باہمی
میل جول۔ میل ملاپ اور آئندہ روٹی کی عزت کر کے پولیس کو بتائیں کہ اس سزا
کیا روا اور نا ہے۔

ٹریڈ یونٹس :- ایک گروپ کو رضاکارانہ فورت ہے۔ ٹیبلٹس۔ ہارٹ باؤلز

تاکم کریں۔

اور آفریں سینٹن کی حد :- ہمیں سینٹن کے حوصلے کوچے میں آؤ اور نیٹس

تائین رام۔ تسلیم۔ حسب معمول بندہ عاجز خدمت ہو رہا ہے۔ چند ہی باتیں گوش گزار
کرنے کیلئے :-
ایک ظہر :- اچھا مدد آپ کے جذبہ کے تحت ایک گروپ بنایا گیا ہے۔ ہم نے یہ دیکھا ہے
کہ یہ ایک مفاد بخش اور تھاپہ کی کمیوں سے پورا پورا نفاذ نہیں آسکا تھا۔ لہذا ہم مسٹر اجاز سید
کے پیچھے سے ملے۔ نتیجہ تائین سینٹرینگ لوگوں کیلئے حوصلے کوچے کے ریزرچر دوپہر کو کھولا جاوے گا
اور پورٹن کے لوگوں کو بھی کھلنے لگے۔

ایک کیپ فٹ اور کافی مارٹنڈ کا سلسلہ 52 اپریل سے شروع ہو رہا ہے۔ ماؤں
اور چھوٹے بچوں کا گروپ بھی تقریباً اسی حوصلے کوچے سے شروع ہو جاوے گا۔ اس بات پر ہم نے زور دیا
ہے کہ سچے سچے مل جل کر گزارنے کا اہتمام کرنا چاہیے۔ عدلوں اور ایسٹریٹوں کی چھٹیوں میں
بذریعہ کوچے آؤنگنگ بھی ہونی چاہیے۔ (چند پروگرام ڈائری میں ملاحظہ فرمائیں)۔

لنڈن سٹور ماخط :- اس سال کے شروع میں انڈیا یا پروگرام کی دو نشستیں ہونیں جن
میں سینٹن کے رہنے والوں کی شرکت کا چاہنا تھا۔ مگر جیسا کہ مشاہدہ سے پتہ چلا
کہ وقت کی تنگی کی وجہ سے کوئی بات پانہ تسلیم تک نہ پہنچ سکی۔ بہت سے حاضرین
نے جس طرح میٹنگ کو جلدی بغیر کسی تسلی بخش نتیجہ کے ختم کرنے کی کوشش کی جارہی تھی
پر غم و غصہ کا اظہار کیا۔ میری خیال میں کونسل والوں کو چاہیے کہ ایسی میٹنگ جن میں سینٹن
کے لوگوں سے سوالات جوابات نہ ہوں۔ انکو دو حصوں میں تقسیم کیا جاوے۔ ایک حصہ
کے سوالات ایک دن ہوں اور دوسرا دوسرے حصہ کیلئے کوئی اور دن رکھا جاوے تاکہ
اسکا کوئی تسلی بخش نتیجہ نکل سکے۔ کیا ہمیں چاہیے نہیں کہ صرف سینٹن کی متعلق ہی
اور اس میں ہو گروپ ہیں ان کے متعلق بات کی جاوے۔ اور کونسل کو چاہیے کہ وہ اپنا طریقہ کار
بدل کر لوگوں کی مشکلات کو رفع کرنے کیلئے کوئی اور طریقہ کار عمل میں لادیں۔

ونڈل میٹنگ :- یہ نیا گروپ بنا ہے۔ جو ٹریڈ یونٹس کی ہی بنڈ کے آگے چھٹی ملتا ہے

FESTIVAL '85 JULY 6th

This year's festival will again be held at the sports field by the railway crossing on Colwick Road. Confirmed events so far include the Dako Gymnastic Team, Dako Red Devils, Jolly Jack Tars and Karate Displays. This year we will be having a small fun-fair with roundabouts and swings. A number of local musical groups will be taking part, so if the weather is similar to last year's it should be a very exciting day.

I now make an appeal for stall-holders. Last year, we found that we had too many stalls selling the same kind of goods, so this year, we are organising this section well in advance. We can provide trestle tables 6'0" x 2'0", so if anyone would like a stall please contact: Brian Thomas, Greenwood Junior School, Marilyn Hyde, Greenwood Infant School., Valerie Stapleton, William Booth Infant School or myself, tel: 501381 7.30 - 8.30 pm

The next meeting of the Festival Committee will be on Wednesday 8th May at Greenwood Junior School.

TRICKETTS

....gets a break

At present Tricketts consists of a large sports hall, a coffee bar, small storage area, toilets and an office. there is another area attached to the Sports Hall which is used as a covered play area but is open on one side.

Due to fire regulations and the type of floor, the Sports Hall cannot be used for discos and yet this is what most young people in the area have told the committee they want, as well as somewhere to sit and chat with friends.

The committee have been campaigning for some time to find funding to convert the covered area into a lounge/disco, a smaller covered area, and a room for their multi-gym. Work has just begun on this and should be completed in about 8 months time.

We think it is important to retain some covered play area so that children using the outdoor facilities can take shelter when it rains, but this will be locked up at night.

Conversion work begins!

At the end of this year when all the work is finished, Tricketts will have no resemblance to the 'old scrap yard' it used to be.

Tricketts Youth Club (Trent Lane) is now run by a voluntary management committee and the buildings and land belong to the Recreation Department.

£200 walk

At 8.15am, on Sunday 7th April Janet, Pat, Barry and Mark, set off on a sponsored walk from Lincoln to Nottingham, with their back up team Barry, Pete, Jenny and James. They were welcomed back at the Bendigo Public House by the Deputy Lord Mayor Councillor David Tongue, Mrs Tongue, Band Children and Family Friends.

Each walker was presented with a Trophy to comemerate the walk of 36 miles completed in 10½ hours which

raised over £200 towards band funds.

April 14th is the start of our competition season. We'll be appearing on June 15th at the Jesse Boot School Jubilee Picnic, and our 2nd annual gala at the Jesse Boot School playing fields is on August 3rd. We look forward to seeing you there. Thanks to everyone in Sneinton for their support.

Good luck to the Jolly Jack Tars on your first season in competition.

EASTER PENNANTS

The Sneinton mini-bus parks on a muddy grass verge and 12 people of different age groups and backgrounds emerge, stiff from travel. Before them is a 5 mile walk through the wet and windy English country side. The road twists and turns and is jammed on each side with parked cars as far as the eye can see.

Thousands of people have converged on an area next to a small village, that less than a year ago was unheard of.

The 12 join the rest of the throng making their way to a 3500 acre site on this bleak Easter Monday. After the best part of an hour they near their destination. The narrow country lane has become a sea of people and colour, and above on the crest of a small hill vast crowds have assembled. They hold banners, flags and small pennants that flutter madly in the strong winds. There are bands playing and many people have brought bells of various

types, that join together to make an atmosphere that is strongly, both carnival like and solemn.

At the stroke of 2pm the bells begin to ring louder and the crowds move towards a barbed wire fence that coils its way to the horizon, guarded on the inside by waterproof clad police.

The Pennants, each bearing the name of their owners, are either entwined or planted through the wire until it can hardly be seen beneath the mass of waving coloured cloth.

As you walk through the crowds, banners from all parts of the country surround you. They've come from London, Manchester, from Devon to Newcastle, Wales and Scotland.

Over 20,00 people have come to this village in the heart of the Cambridgeshire country side, to make a protest - and why?

Because the village is called Molesworth, and has achieved its unwanted fame because its fields have been encircled by a £3 million razor wire fence. Where, in an ocean of heavily protected mud, grain, bound for the Ethiopian Famine, has been destroyed. Where a settlement of farmers and their families were evicted at midnight by 18,00 soldiers and police. Where a Multi-faith Chapel, built under the auspices of the Quakers has been cut off by barbed wire. Because Molesworth is the site of the 2nd American Cruise Missile Base in Britain.

Just 60 miles from Nottingham, 64 Nuclear Missiles will be stationed under the sole control of the American Government.

Well over 20,000 people braved the dismal Easter weather to protest, not only at the threat of Molesworth, Cambridgeshire or even Britain, but at the threat these dreadful weapons bring to the whole world.

The Sneinton Group joined with people from all walks of life, of all ages, creeds and faiths in the simple act of saying NO to the horror, waste and fear these weapons bring to us all.

Sneinton Blooms

Perhaps the brightest spot on the Boulevard is the house with the terracotta window boxes around the bay. It's surprising what such a simple touch, a few well tended flowers and a bit of greenery can do to cheer the whole street up. Imagine what the Boulevard would look like if everyone tried it!

Sneinton window sills are perfect for a window box. Many colourful plastic boxes are available, but they need securing safely if you want to put them at first floor level. I melt holes through easily with a red hot poker then run some old cable along the inside and fix it at each end to hooks screwed into the wooden base of the window. But plastic soon becomes brittle.

A cheap alternative is a wooden box, floorboards and skirtings are about the right size, but chipboard is useless - it swells like a sponge when damp. Fix with both glue and screws - nails won't take the weight when filled, don't forget drainage holes.

The inside can be treated with Cuprinol to preserve the wood - but

beware of creosote as it will kill the plants. Outside can be stained or painted. Securing is simple with hooks and eyes.

When in place, spread some gravel over the bottom of the box for drainage. Then fill to within an inch of the top with a good general compost.

What to plant? It's better to buy plants than grow from seed. Bright red salvias look good against brick walls. Silvery foliaged cineraria can be alternated with bedding flowers. Try growing herbs - rosemary and lavender do well; traditional wallflowers, geraniums or evergreens are another possibility.

Plants need looking after with occasional feeds of liquid fertiliser in the growing season - and plenty of water all summer, even if it rains, as the eaves tend to keep the rain off. Once a year you should change the compost by scraping it from round the plants and replacing with fresh.

It won't be just you that appreciates your new miniature garden - but the rest of the street as well!

New Diary

A new free service to all community groups is now available. The Sneinton Resource Centre & Sneinton Blvd. Library are working together to set up a "Sneinton Diary", so that community groups can publicise their meetings, fundraising events etc.

From May 1st, both will keep diaries and groups can contact either of these two to have events publicised and hopefully avoid clashes

We are also putting together an information folder about all groups in the area, so that anyone interested in finding out more about a particular group or perhaps wanting to join it, can easily get in contact with someone.

Obviously, the Sneinton Diary will only be effective if its used by most groups, but we hope that everyone will find it a useful way of letting more people know about their events and activities.

POINTS OF CONTACT

At the recent Sneinton Inner Area meeting there was a great deal of concern expressed about the lack of policing in Sneinton and the time taken to respond to emergency calls. Sneinton used to have its own Police Station on Hermitage Square, but is now covered from Carlton.

Many people in our area feel uneasy in their own homes let alone walking the streets.

"We need more police on the beat, walking or on bicycles - they get to know the residents more and keep an eye on vandalism".

Phyllis (pensioner)

"There should be a police station to improve the cohesiveness in the area and help maintain a community spirit".

Ruth (Housewife).

The problem is not confined to any one section of our community and these thoughts have been echoed by Asian families in Sneinton who have also been experiencing a rising number of attacks recently. Both people and their property have been targets for everything from minor acts of vandalism to violent personnel assaults.

"I've talked to many people and everyone feels that the only thing to be done is to re-open the Police Station at Sneinton Hermitage so that there can be more Police on the streets. I do hope that the authorities will look into the matter."

Raffiq (Bus Driver)

"I have to lock my shop up very securely every night - I've been broken into twice. I worry about it all the time."

Bakkar (Shopkeeper).

A number of white residents have also recognised this:-

*Sneinton's old police station.....
.....on Hermitage Square.*

"When the dole queues get longer and the purse strings get tighter, its always the minority groups that get picked on. Its just like pre-war Germany."

Jack (Pensioner).

Better policing of the area could allay some of the fears felt by many people but over-policing too can create problems. The Police are currently looking for premises for a 'contact point' but our community can help itself as well.

We must find ways of bringing different groups together - tenants groups, the elderly, families, young people, ethnic minority groups etc - to discuss our common ideas about how to make the area a safer and more pleasant one to live in. Understanding each other will then make it easier to tell the police and the local authorities what part we expect them to play in this process.

Colour Printing

Notts. County Council has provided extra equipment to enable local groups to produce even more exciting leaflets, newsheets and posters

Red, Blue, Green and Brown ink can now be used in the duplicator and, as only one colour is printed at a time, its no more difficult than ordinary printing.

The Centre also now has a Headliner which produces large lettering to form headings just like the one to this article! Its very simple, you just rotate a dial to the letter you want and press a button, the spacing and positioning of the letter is automatic.

Also the photocopier can now handle a larger size of paper, ideal for simple posters.

In case all this equipment seems a bit frightening, the Resource Centre is organising two workshops. Workshop 1 will deal with how to prepare a good quality original -

the use of the electric typewriter, Headliner and rules of thumb for the layout and design.

Workshop 2 will look at methods of printing from that original - the choice between photocopier and duplicator and an introduction to working in colour.

If you'd like to join a workshop, please give the Centre a ring on 584862 or drop a note in to 26 Lyndhurst Road saying what times of the day would suite you best - the workshops will be free and organised so that they fit in with your arrangements wherever possible.

■ ■ ■ A public meeting is being held on Wed. 12th June at 7.30pm, at Sneinton Hermitage Community Centre to report on the progress of the Resource Centre, and to adopt a consitution and to set the committee up for the next year - Everyone is welcome to attend.
