Welcome To The Freedom Press Bookshop List

- For over 100 years Freedom Press has been a publisher and distributor of anarchist and alternative social and political literature. As we approach the third millenium, while others pursue the latest fad or cult we consider it important to continue this work. Thus, in addition to its fortnightly newspaper *Freedom* (founded by Peter Kropotkin and Charlotte Wilson in 1886) and its quarterly journal *The Raven* (1987), Freedom Press now has over 70 titles in print, covering the history and development of the anarchist movement, as well as its philosophy and its practical application to the problems of modern society.
- Freedom Press' wide variety of authors (from Kropotkin, Emma Goldman and Lewis Mumford, to Alex Comfort, Marie Louise Berneri, Colin Ward and Murray Bookchin) write on a broad spectrum of topics: Capitalism, the State, Revolution, Social Ecology, History, War and Peace, Transport, Health, Children, Education, and Housing. We also publish several strip cartoon books, a boxed set of anarchist biography-and-portrait cards, the world's first anthology of anarchist poetry in English, a children's illustrated story book and a fictional anarchist Utopia.

- As Freedom Press Distributors (FPD) we are also wholesalers and distributors of many small press publications, with hundreds of titles on radical social and political questions. Among the publishers we handle are: Five Leaves Publications; Red Lion Press; Spokesman Books; Calabria Press; Bedford Square Press; Phoenix Press; Solidarity; Lib Ed; AK Press; Derrick A. Pike; Pluto Press; Left Bank Books; Michael E. Coughlin; Fred Woodworth and See Sharp Press.
- Section 1 of this list includes all current Freedom Press publications, and a selection of our FPD stock including a new, comprehensive Backlist and Bargains feature. All these titles are available post-free to UK retail customers, and most also at wholesale discount to bookshops and stalls#. For trade terms please enquire.
- Sections 2 and 3, for retail customers only, contain an equally wide selection of titles including many by good commercial publishers. Our full range of stock-from all sections - many hundreds of constantly updated titles - is available both to personal callers at the bookshop and by mail-order. Enjoy your reading. Key to symbols below.

☐ Mail order customers should refer to the Postage and Packing boxes in each Section and the Mail Order Information box on page 8 before ordering. We do not have a mailing list: keep in touch with ideas and developments in the anarchist movement (and new publications) by subscribing to *Freedom* and/or *The Raven*, and you will receive a new booklist each time it is updated. Please send an A5 ☐ for further copies.

Overseas customers please note: all payment except subscriptions must be in pounds sterling. Foreign currency will be returned and your order delayed (unless you add the equivalent of £20 for bank charges). Alternatively, contact our overseas distributors (Section 1 titles only) - USA: Left Bank Books (Seattle) or AK Distribution (San Francisco); Australia and New Zealand: Annares Books, Melbourne. Prices were correct when printed but may change without notice due to factors beyond our control, especially on imported titles. This list supersedes all others.
