#### GENERAL NEWS AND INFORMATION

A) The next National Council meeting will be held in Birmingham at the beginning of September. One member of the Nottingham Group may attend as the Group delegate and one as Observer. If you wish to nominate anyone - including yourself - please notify any committee member as soon as possible. The Delegate will need to know what the Group's opinion is on the structure of CHE. The National Council has set up a working party on this, and has reported its findings - the report is available to anyone to read - though it is rather long and complicated. The meeting will be on a Saturday and the Birmingham CHE group will provide overnight accommodation and a party on Saturday evening.

B) A Gay Awareness group has been founded in Leicester and its activities are somewhere between those of CHE and GLF. If anyone is interested in contacting this group, details can be obtained from any committee member.

C) Please find enclosed some CHE stickers - if you have the time and inclination you may care to stick them somewhere.

D) We now have over 40 paid-up members of the Nottingham CHE group which is quite good for a group which has only been in existence for about 9 months. Could I ask each member to try to enrol one other person - in this way we could easily approach a membership of 100 by the end of the year.

E) Once again, if any member requires lifts to any of the above meetings, would they please let either the Chairman or Secretary know as soon as possible.

F) You may wish to know the BUX bookshop (off Clumber St.) sells copies of Gay News. If anyone knows of any other shop that sells Gay magazines, let us know so that we can pass the information on to members.

Yours,

The Secretary.
