

EQUAL RIGHTS FOR WOMEN

* EQUAL PAY * EQUAL OPPORTUNITY * EQUAL TRAINING

Do you know that women in the Nottingham area are among the best paid in Great Britain and still average less than 5/- an hour?

Do you know that English women are discriminated against in training, pay, opportunity to enter into more skilled jobs and positions; and BLACK WOMEN - West Indian, African and Indian - have EVEN LESS CHANCE to make full use of their abilities?

You may not think that equal rights are worth fighting for but let's think about it from this point of view:

1. Every penny that the boss deprives you of, is money that should be going to you and your family.
2. Marriage is no longer a career - today a man's salary is not enough to pay for all the necessities of life for a working class family. It is YOUR RESPONSIBILITY to get the best kind of training to get the best jobs at the best rates.
3. Do you want your children, daughters and sons, to have to struggle to keep their heads above water? NO! Fight now to better your and their working and living conditions.

Women have got to ACT NOW and in UNITY. We invite all - BLACK and WHITE, to JOIN US in fighting for OUR RIGHTS - WOMEN'S RIGHTS.

INVOLVE YOURSELF. YOU CAN DO SOMETHING.

WHETHER MAN OR WOMAN * WE NEED YOUR SUPPORT

National Joint Action Campaign for Women's Equal Rights - Nottingham

Dear friend,

This is a draft of a leaflet which will be distributed to thousands of workers in their places of work in Nottingham. We need money, distributors and worker. A mass demonstration is to be held in Trafalgar Square on May 18 with many leading Trade Unionists and women's rights leaders to speak. Coaches all over Britain are being booked and we hope to fill a few from Nottingham.

The "Equal Pay" demand is gaining support every day and many militant demonstrations have already been launched in connection with it. A public meeting next Friday will discuss the leaflet, the demonstration and future activities.

Nottingham N.J.A.C.W.E.R. meeting, Friday, April 18th at 8 p.m.
