FANZINE HORSESHIT

WHAT STARTED AS
PART OF THE
PUNK-WAVE, THE
LAST TEN YEARS

OF UNDERGROUND FANZINES HAS REACHED A POINT, BAR A FEW EXCEPTIONS, WHERE UNLESS YOU WANT TO ^{KNOW} WHAT THE BODINES NEW ANDRAK IS LIKE, READING THEM IS LIKE BEING LOST IN THE WRITER'S INTESTINES. WHICH IS A SHAME, BECAUSE THERE MUST BE OVER 2000 DIFFERENT ZINES WHICH COULD PUBLICISE THEIR OWN FREE GIGS AND LOCAL NEWS. ON SEEING THIRTEEN PAGE INTERVIEWS QUITE A FEW PEOPLE DONT WANT TO SPEND 20p OR 30p, NEITHER DO THEY CARE ABOUT THE IN-FIGHTING OVER FADS OR CRAZES, OR SCUM LIKE JAMES BROWN OR THE LEGEND WHO HAVE DECLARED THEMSELVES 'LEADERS' OF THE FANZINE FAD, MAKING SMUG CAREERS OUT OF THE SAFE PACKAGING AND NULLIFYING OF INDEPENDANT GIGS AND PAPERS.

STILL, THEY DO HAVE LISTEN TO US. UNLIKE GOVERNMENT, THE MUSIC LACKEYS HAVE TO MAKE A PROFIT - LOOK AT THE WAY RAP WAS IMPORTED AT THE FIRST WHIFF OF STERLING - AND WONT THE SHIT HIT THE FAN AFTER THE FIRST BIG RAP RIOT. **DONT BUY WHAT THEIR SELLING**, DO YOUR OWN THING, AND IF THEY REGAIN CONTROL OF MUSIC CULTURE, BRANCH OUT AGAIN. FANZINES AND FREE PAPERS CAN BE USED TO SPREAD THE ARGUEMENTS TO PULL THE CARPET OUT FROM UNDER THE MUSIC BIZ, AGAIN AND AGAIN AND AGAIN.

ANTI-FA. DEMO IN CALIF.

Judging by the Communist dictatorship paper Challenge, the gathering of fascist groups in Glendale, California was slightly disrupted on Nov 22 '87. Despite the fact the PLP or CWP/Leninist-Erection Party were wetting themselves at leading 100 or so marchers, the actual actions that took place were pretty good and the cops didnt manage to keep up with all of them: When a KKK cheif came to speak to a meeting of "Sovereign Order of the Aryan Christ" (ha,ha), he got smacked in the mouth. Later when the same man went to speak in the Holiday Inn, 10 followed him whilst more of the anti-fa's fought running fights with the KKK skins.. Two people were arrested, temporarily freed when friends opened the car door, then caught again; then the police brought a water-cannon into action. Meanwhile the 10 inside the hotel took over the PA before riot filth chased them out. Pity the Group declaring all this initiative as their own dont sell the SUN, as they'd make more £££\$.

that the future of our Party is very bright. Some took leadership in the physical confrontation with the Klan, others made sure that C-D was sold (no exact figures yet but one person sold 36 copies) and that general tactical decisions were made.

HOMELESSNESS & THE POLL-TAX

TWO meetings were recently held in LONDON. Last December 60 people discussed ways of combatting Aprils' Housing laws, and a week of action against homelessness took place from 22-29th Jan. And on Jan. 21st leaflets, information and ideas were passed on about the Poll Tax.

Two excellent anti poll tax leaflets are available from: Box A, 167 Fawcett Rd, Southsea, Portsmouth, PO1 0DH. & TVA. 17 Chatham St, Reading, Berks.

LEEDS ABORTION FUND

Just recently, a fund has been set up in Leeds for women who need money to help pay for abortions. The fund needs a regular flow of money so please help by sending donations to the address below. Also women who need financial help for abortions, then get in touch.

POLITICALLY-MOTIVATED thieves threaten to marr this years Young Conservatives meeting in Brighton this spring. The robbers may strike partly in revenge for the young Tories excesses at a previous meeting in Brighton when a number of peace protesters were beaten up; and partly to practise the Jamaican, Yardies-backed fad of Steaming.

SEVENS

YC members, who have a direct line to government policy-making, showed no worries about treading the towns' streets: "Do not insult the three sevens", said rising-star Harry H Phibbs. Police Chief Ron Jahbulon confirmed no Tory-bashing was expected and said the story was down to rumour.

ARSENAL v. MILLWALL

So Millwall fans are scum. Sounds like a bit of a cover up to me. On the day there were four turnstiles and two stairways to let thousands of Millwall fans onto the Clock End and the police jumped on the excuse of overcrowding to wade into the crowd. Well fuck them. The same police that tried to stop fans escaping the Bradford fire, deserve a battering everytime

they curtail our freedom.

Visiting Berlin?

I Was going to write about Paris, because its cheaper (£33), nearer & less hassle to get to than Berlin. But I haven't dossed about in Gay Paree. In Berlin, depending what your interested in, there's plenty of venues to visit.

A good punk venue is at ORANIENSTRASSE, - So36, but bring a mac as watercannon pranks occur from time to time.

Another music venue is K.O.B. in POTSDAMMER STRASSE, open 'til 4am on gig nights. There is a gig venue in the MEHRINGHOF complex, nr. MEHRINGDAMN tube sta., along with a bar, book-shop and much alternative info.

Kreuzburg has many bookshops, & an excellent one is LUNTE at WEIßESTRASSE 53 in NEUKÖLLN district.

On Weds. at 6pm there is a 'people kitchen' at ORANIENSTRASSE 44. ☺
