LOOKOUT!

June July August 2006

Issue 39

Important announcement

Nottingham Pride will once again be taking over the Arboretum on Saturday 29th July. New and diverse entertainment on the bandstand and that's just one of many things happening to keep the fun levels up. We are also hoping to introduce a new part of the park, over in the peaceful 'Bell Garden' we're planning an Holistic Garden with acoustic music and therapy taster sessions to soothe the body and mind.

Also new this year is qualified childcare to make sure even the youngest visitors have as much fun as possible and parents can have a bit of free time too. You might be able to spot some unusual folks around the park including stilt walkers making balloon animals and some other stuff, as yet a secret! Stalls are getting booked up fast, if you know of any organisations who would like a stall to sell their wares or provide information, let us know by emailing stalls@nottinghampride.com.

A very important message goes out to all Lookout women and that is that we have a great Pride committee who work very hard to make Pride better and better each year but they're mostly boys! We could really do with upping the number of women involved. No particular skills or experience needed just a bucket of enthusiasm. The meetings are really good fun and being a part of making the event happen is the biggest buzz you can imagine. Contact info@nottinghampride.com if you would like to join us to make the magic shine!

If you can't spare the time to be a part of the committee you could be a day volunteer, helping out at the event itself doing wonderful jobs from giving people directions to handing out balloons, from assisting the stars back stage to collecting feedback from the visitors. Let us know if you fancy swanning around as an official – you even get a cool orange waistcoat to wear – how can you resist? Drop us a line at info@nottinghampride.com

You can also contact us on the Pride mobile: 07875 377145
Or via our snail mail address: PO Box 8771 Nottingham NG1 9AU

Whether you come along as a volunteer, committee member or visitor, we hope you enjoy every minute of Nottingham Pride and let us know what you like and how we can make it even better, it's your event!

See you all there,
Pam Burrows
Chair, Nottingham Pride Committee

We are now planning regular rides on one Saturday and one Thursday each month, as well as meeting up in town monthly for a drink & to plan future rides. Rather belated Editorial

As you are all probably aware, Lookout is kept together by a small team of volunteers. Most of the printing & postage costs are covered by what little income we generate from advertising and a few regular donations from a small handful of readers. If you are moving PLEASE let us know. Every quarter we get newsletters returned via the Women's Centre because people have upped sticks. This represents a sad waste of our limited resources not to mention the environment generally.

Focus on Health - Shiatsu

"Shiatsu hits the spot in a way nothing else does!" That's what a client said to me recently and it's one of the reasons I love Shiatsu. Meaning "finger pressure" in Japanese (no it's not a dog, nor some strange martial art!), we use fingers, thumbs, hands and arms to activate the same meridians and pressure points that acupuncturists use. The ancient oriental idea is that our bodies, indeed everything in the world, are energy organisms, and even physicists are coming round to this idea today.

Because it's energy-based Shiatsu is given through clothes, and it can get in deep, affecting us not just on a physical level, but emotionally and mentally as well, which is exactly what my client was getting at. The most miraculous thing about the human body is its ability to heal itself, and Shiatsu puts us in touch with that healing ability and makes us more in tune with ourselves. That empowerment is one of the things that attracted me to it, with my background in self-help politics, and it's wonderful to see its effects on the people I treat, and to continue to experience it myself.

If you'd like to give it a try, phone or email me to book an appointment. Mention this article and you'll get a discount. I run Clinics in Nottingham at Alternatives, Derby Road, Canning Circus, and the Grange, Mansfield Road, Sherwood. Focus on fitness — Walking with added zip

Ruffy Tufty walks were started for those who like walking a bit longer and faster but, organised out of Leeds, they tend to be largely in deepest Yorkshire, or even further north. So we thought we'd offer a more southerly Ruffy walk for those of us living closer to Nottingham, Derby and Leicester who also like it a bit longer and harder!

Diarise this: Saturday July 8th, 11-12 miles'ish, route to be decided but we're thinking SW Derbyshire into NE Staffordshire to find footpaths less well travelled...

Details will follow - please email jeanelle@degruchy.co.za and/or vivpointon@hotmail.com to join the Peak Rufftys list

Focus on Art

Sue Allanson is a lesbian sculptor living in Derbyshire and has two forthcoming exhibitions which may be of interest. Her subject matter is women carved in stone. She derives her inspiration from nature, archetypes, relationships and the stone itself. The process of the sculpting is like a dialogue between herself and the stone. You may want to see her work online at www.sueallanson.co.uk or in the flesh (stone) at

Lea Gardens, Lea, Derbyshire from 2 June - 30th June or

Shades Café & Co, Green Lane, Derby (nr Debenhams)

Could a SWIFT name change bring about a LIFT?

- Yes, SWIFT has been renamed following a poll of members: the majority was in favour of a change from SWIFT to LIFT, removing the requirement to be single...
- We have set some dates for the next few months so you have a chance to get them in your diaries, venues to be confirmed nearer the time:
 - 29 April
 - 27 May
 - 24 June, barbecue at Viv's
 - 22 July
- The plan is to continue to start at the earlier time of 7.30...
- Volunteers to join the organising group would still be welcome; a key member is (probably!) leaving the country in the Autumn, and there is a risk the whole project could fold at that point unless we recruit...
- Email: Viv (vivpointon@hotmail.com) or Susan (sjking@shoshana.demon.co.uk) for more info.

No long term walk programme, but you can email nnwalkers@yahoo.co.uk for the latest info.

LiNk Notts (Lesbians in Nottingham *connected*) is an email group for women who identify as lesbian or bisexual. It's been set up to encourage women to exchange info and organise one-off or regular group events. LiNk Notts is a not-for-profit organisation that will remain free to join for as long as the Internet remains a low cost medium. The ideology is that friendship should remain free in a world where everything seems to have its price. The group was set up in January 2006 and currently has around 50 members.

Join the group from the main webpage & read the previous messages. If you don't see anything of interest to you, then post a message to the group with your idea and wait to see who wants to join in. Sarah (aka Codie), who set up the group, has started Out @ the Movies, a once a month cinema group. Other ideas are currently bubbling away, so join up to find out what's new this summer, or even better, to add your ideas to the collection! Organisers of local gay women's groups are welcome to join LiNk Notts and post messages about their events. Follow this link: <http://www.linknotts.org.uk> for information about how to join. See you there!
