Dear Ken & all Comrades,

Thanks a lot for the

D.A., the two I.W.'s & the letter  
of 5th March. I have read  
very little since I left England  
& so I knew nothing of  
the arrests of the Dockers  
until I read the article  
in D.A., & needless to say I was  
unpleasantly shocked by the  
business at Lyons.

Can you give ~~my~~ me  
Willi's address in Zurich, &  
incidentally that of any other  
comrades round here. I am  
only 86 Km. from Zurich.

I will collect material

about the co-operative housing project - I'm not sure if it's suitable for D.A., - there's a hell of a lot we could criticise about it, - but it's an interesting experiment.

Incidentally most of the people here, both work campers & local population, seem fairly well opposed to Adenauer & rearmament.

Give my regards to all, I'll write more when I'm more in the mood for it, but I'll first write ~~up~~ up the housing project & send a few <sup>general</sup> ~~interest~~ <sup>press</sup> clippings, all the best  
fraternally  
Pete
