Dear Ken,

Is "Direct Action" still in existence? We have been around Hyde Park recently and were hoping to see some of you and perhaps get a copy of the paper again.

Each Sunday morning meetings are held in East Lane (near here) by the "Ex-servicemen Movement for Peace, and last Sunday they had a speaker present who said he was an anarchist. I have heard some speakers on this platform but I never expected to hear an anarchist. His name was Yorkie of York which I seem to remember having been mentioned in the A.F.B.
