16th September 1953

Dear Comrade,

Received your letter of 5/9/53 enclosing 10/- for 'Direct Action', for which many thanks. Please find receipt enclosed.

I am writing now to ask whether you are willing to join our organisation. You are no doubt familiar with the Aims and Principles, which are usually published in each issue of DA, and you should have received a copy of the Organisational Basis with the last issue of the paper.

With our best wishes, and hoping to hear from you,

Yours Fraternally,

Peter Green

(Secty.,) for the

National Committee.
