22 Ross St  
Glasgow SE

Dear Ken /  
Enclosing 10/- for 1st  
issue of D. A. & I. W. W. received  
Meetings are still poor here but  
this is expected until the premises  
get known. John Hunter will be  
visiting to you letting you know  
of developments. I started work  
in a new job the other week - Stephens  
ship repair. I'm working with the  
repair works convenor whom I know  
personally - engineers work in pairs  
in repair work and he used to

2  
come to our meetings in the past  
due to my influence. I mean the  
old anarchist group meetings when  
Shaw, Raeside etc. were there.  
He is quite militant Ken and I'm  
sure he will be linking up with  
us shortly. I gave you his address  
in the ~~past~~ but the wrong one  
He now resides at 19 Shank St  
Govan Glasgow.

Still don't know  
whether we will be down on the 11th March  
or not. I'll let you know about a  
week or so in advance. We will  
be drafting an additional piece  
tonight requesting you to add it  
to R & J. Caflet with a Glasgow

address for local consumption up here. We will pay expense should the wording meet with approval of R & G. committee

We do not intend to accept subs from Scottish comrades. Subs will continue to be sent to London. Only when a reasonable number are prepared to sponsor the movement on a national scale up here shall our position regarding subs be reviewed.

Regards to all the  
Lads, to Celia & Marcie

Yours Bobby
