Dear Pete,

Sorry not to have written to you sooner. Glad that you made the journey home ok. I am sending you 3 pamphlets & will send you the U.S. as soon as it comes out if you want any more of anything let me know I think the next U.S. will have a lit. list in, if not I will send you one. We have not had a proper Sunday School since you were here last as there have been a few events which the seniors went to, : Leanie Constantine speaks on colour bar. & the mayors service - held in the civic centre no prayers - to the disgust of the churches & chapels. The new mayor Richard Blain is a P.P.V. & he had Wilfred Wallata to speak. Fred Mangfield has been acting like a spoilt child since Stratford & the bung & this has been aggravated at Whitsun when Stan Iverson organised a camp weekend. if Fred's not in the centre of things he doesn't like it.

I'll try & write more often & keep you informed of things

up this end.

I'd like to write an article on local government  
& devolution for D.A. so let me know when the next  
one is to be considered. Roa said he would translate  
an article for 'Leit' so if you see him would you ask  
him if it is still being issued if not it might be  
suitable for Rula. On the SSS. of course! The SSS desire  
international contact but lack it + I think that we  
might put it in the right channels, we could discuss it  
when next we meet.

In August the SSS (Nelson) is having a day at Wortley Hall  
near Sheffield as the Annual outing.

I will try + write you a little more often in future

All the best - we look forward to seeing you  
again soon.

Juhari.
