

Syndicalist Workers Federation

BRITISH SECTION OF THE INTERNATIONAL WORKING MEN'S
ASSOCIATION

ORGAN: "DIRECT ACTION"

PUBLICATIONS COMMITTEE: 25a, Amberley Road, London, W.9.

LONDON GROUP,

15th November, 1934

As we have not had any direct contact with you - and other members - for some time, during which only a very reduced number of comrades have attempted to keep the London Group alive, it is felt the time has come for a meeting at which future activity, both in London and nationally, can be discussed.

You know, of course, that DIRECT ACTION has been forced to cease publication through lack of finances, and that with the non-appearance of the paper, syndicalist propaganda (apart from the day-to-day work of individual comrades) has virtually come to a standstill.

To discuss this situation and what steps can be taken to remedy it, we ask you to attend a meeting on Tuesday, November 20th, at the above address at 7.30 p.m. If you are unable to be present, please let us know beforehand whether you are prepared to maintain your membership of the SWF, if you will be able to take part in any future activity, and what suggestions you can put forward to counter the present state of vacancy and inertia in our movement.

Yours fraternally,

Secretary, London Group
