Dear Comrade,

Many thanks for your letter of October 21. We were sorry you were unable to come to the last general meeting. Our group meets every Sunday evening at 6 p.m. at the above address, and we shall be very glad to see you any time you are able to come along.

We shall certainly take advantage of your offer to sing when we organise a social evening.

Hope you received the last issue of "D.A." safely.

Best wishes,
Yours fraternally,

Gen. secretary.
