Dear Comrade,

Enclosed agenda for the IWMA Congress to be held in Toulouse next May. Our next London Group meeting, at the above address on Sunday next, February 4th, at 6.30 p.m. will be devoted to a discussion of the agenda and the position to be adopted by the SWF delegates.

We hope that you will be able to attend this meeting. Our treasurer asks me to remind you that she has not received any dues from you since you joined the organisation. We are sure this is an oversight on your part, and would not mention it but for the fact that we are having a big ~~xxxx~~ struggle to keep up with the rent payments on our premises and to maintain the regular appearance of Direct Action.

With best wishes,  
Yours fraternally,

General secretary.
