Dear Sir & Bro.

I am placing before you the facts of this dispute, (which you will find on enclosed pamphlet,) and ask for your assistance in stopping material being picked up at the Wharf's, for this Black firm of Change Wares.

The Wharf they are picking the material up at the moment is Fleet's Wharf, Blackfriars,

If there is anything you could do in this direction, we would greatly appreciate it.

Yours Fraternally

H. L. Read Secretary
