

Mr. H.L. Read,  
10 Clarence Avenue,  
New Malden,  
Surrey.

7th November, 1951

Dear Sir and Brother,

We should very much like, in the next issue of "Direct Action", to report the successful ending of the Change Wares lock-out. Could you let us have the necessary details?

We want to start running the paper off at the weekend, so should be grateful if you could let us have the information by Saturday.

With our warmest congratulations on your victory,

Yours fraternally,

Secretary.
