Dear Sister and Fellow Worker,

Very many thanks for your letter of November 5th and for the information about the dispute at Rival Lamps, which we shall publish in the December issue of "Direct Action." We hope that you will keep us in touch with any developments.

We are only too pleased to give your case what little publicity we can, and our members join in wishing you 100% success in this struggle for basic union principles. "An injury to one is an injury to all."

With every good wish,  
Yours fraternally,

for Editorial notes.
