Dear Comrade,

Thank you for the copies of "D.A" & for thinking it worth while to publish my letter.

I have noted the change of your group meeting night from Tuesday to Thursday & will try to get over one Thursday evening.

There is not much to report from my T.U. & T.C. The Trades Council supported the strike of building workers at Putney but it was declared unofficial by the Federation & as there was no strike pay the strike has now ended.

By the way, has your S.W.F. any relationship with the Group which issues "The Syndicalist" or is this a rival faction. Should there not be unity between all syndicalists, or are there factional differences. Bert's wishes, fraternally, Bill Hamilton
