DENIA, ALICANTE
Spain.

Dear Friends,

We are now almost certain to remain here at this address for several months to come. The people ^{here} seem to want us to stay to have the baby and I have been going through the motions to get legally fixed for a job. We don't intend to return home this side of the New Year!

A couple of weeks ago I was in Leon near the Astorias looking for a job. On the return trip I got locked up for a night in the province of Segovia because I wasn't carrying my passport. But I was treated quite well and they let me go (the Civil Guard that is) after ringing up Joan in Denia. It was probably the most comfortable prison sentence I'll ever undergo with macaroni and egg for tea, plus biscuits fruit, soup, and red and white wine, all prepared for me by the wives of the Civil Guard.

Later this week I hope to pay a visit to the poor province of Albacete. It's about half way between here and Madrid and is famous for the extreme poverty from which it suffers.

We have just had a letter from Ants. According to what he says he gets Wed

in August. Kevin is going by plane from Manchester to Paris alone apparently, to visit the Camp in France. If you can give him any useful advice or support I suggest you do so, as ~~it is~~ I don't envy him traveling alone. But we believe he is in contact with Sal so he should be O.K. He is we believe hitch hiking from Paris onward.

Thank you for doing our articles, we have had some printed by our ~~friends~~ friends in France. Would it be possible for you to send our parents issues of D.A. with our articles on Spain within? Their addresses are:-
Mrs. Annie Matthews & Mr & Mrs JESSE Bamford,
63, Curzon Road 39, Alder Road,
Kirkholt, Rochdale. Lancs. Rochdale, Lancs.

Because of the resolutions of an anarchistic nature which I sent you with the last letter the Y.C.N.D is in for bother in Rochdale with adult group. I am sending Ants letter which came today and here are the addresses:-

KEV Brennan., Antony Parker.,
3, Dicken Green., 15, Neston Road.,
Queensway, Rochdale. Lancs Turf Hill, Rochdale. Lancs.

I will warn them you may send them D.A.! We ^{are} always pleased to receive copies here, and hope you can send us the June & July editions. We wish you good luck and hope you have a good do at the Royal Procession next week. We send our greetings to you all. Brian & Joan. P.S. Just been reading the Press you never know our side get as much publicity as lately.
