39, Alder Rd.,
Rochdale, Lancs.

Dear Ken & Marcia,

Enclosed is a 27/6

P.O. would you please send
me a copy of Rudolf Rocker's
"The LONDON YEARS". We'll have 10/-
off our debts for W.L.N. &
Direct Action and another 10/- on
your Press Fund.

North Indust Action is having
their meetings cluttered up with
tape recorders in the hope of
recording some propoganda which
will be fit for public consumption
when and if, we go on the air.
Has Sim written anything about

this operation to you yet?

I'm making an effort
to write an article for you
with ~~the~~ ^{with} the aid of the T.U.C.'s
recent pamphlet "CRAFT APPRENTICE-
SHIP." Pity the C of 100 couldn't
get the necessary pledges. Hope
you had a fine holiday. If Bill
could send us an odd copy of
SEAMEN'S VOICE, we would be pleased.

Best Wishes

Joan & Brian

P.S. Did you get my previous
P.O.?
