Dear Comrad,

The Reigate & Redhill young Socialists are holding a series of lectures & discussions on the theme of workers control and have asked me to write & ask you if it is possible for you to send a speaker on Friday Oct 25th to put the Syndicalist point of view. If this is possible could you let me know & I will send details. In future could you please send 'Direct Action' to the above address instead of the old one at 3 Hillfield Rd.

Yours fraternally
Richard Fish.
