Dear Ken & Malcie, 4.10.61 Lancs.

I am for the next 9 months tied to a training course in Liverpool during the week, and I will return home at weekends usually. If you would send your letters to Joan, she will see I get them, W.V. and W.L.N. should still be sent to Alder Rd, I went to see D. Pude. he says activity is rather dead in Liverpool. There now some life in Manchester with Com W, I.L.P and one or two S.W.F. fans, we have arranged a meeting for a week on Sunday. Joan and I saw Jim last week and

we discussed how to increase the sale of Progress, we are publishing 1,000 ~~750~~ copies of the next issue, and am going to place the ⁷⁵⁰RAF leaflets inside you sent.

We obtained a letter and report on an apprentice strike in Glasgow from Bob Lynn last Friday. Couldn't make the Holyloch sit-down unfortunately! We think that DIRECT ACTION would be a more attractive title, as the term Worker tends to be regarded distastefully nowadays even by people who are workers.

The PROGRESS heading are being done by G.W. I think! Thanks for your report on the A.E.I. lads, we hope to deposit at least 200 copies of PROGRESS in A.E.I. lap shortly. Best Wishes Joan & Brian.
