Dear Comrade,
Pleased to say that
I now wish to join S.W.F. Many
thanks for the stuff you sent it
very good. I have managed to get
some T.C.W.A. interested. Merseyside
T.C.W.A. is small but militant
in fact we are thinking of
dropping the T.C.W.A. tag and
making it a '100' working group.
Would it be possible for me
to have '12' Direct Action on
sale or return each month.
When I get a job I will
give an order for 12 for
which I will pay for, but
at the moment that is
impossible as we have gone and

stopped my dole, and as I
live at home I doubt if I
will get National Assistance.
Oh and could you send me
five "Bomb, Direct Action and
the state" this is for sale to
Y.C.M.A. and they are all
ordered, also some membership
forms I think there is a
good chance of getting at
least a small group going
here. I have had a few
answers to the advert in
"Freedom".

Yours etc.

Best wishes

Vincent Johnson
