Dear Ken,

Thanks for all  
the lit. Enclosed £1.  
postal order if its any  
more let me know. I  
suppose you've seen in the  
press of the plot to get  
rid of John Baird a  
combination of Catholic action  
A. E. U. and anti-coloured  
L. P. members, it looks  
very much like they'll  
succeed as they've got the  
North East partly sewn up.  
Not that we're concerned  
with L. P. machinations (except  
from an 'I told you so' point

of view but you could have  
a lot worse than Baird.  
Jim and myself were hoping  
to come down one week-end  
for a FREEDOM or D.A. do  
but this bloody weather  
has balled everything up.  
I've been out in it that  
much I've developed a  
craving for raw fish and  
candles! I suppose the bloke  
P. T. who is writing on  
Industrial Affairs in FREEDOM  
is one of us he mentioned  
one of Tom's old pamphlets,  
'TRADE UNIONS OR SYNDICALISM'  
in this weeks issue (9 FEB.)  
All the best to all. fraternally  
John.
