Dear Ken,

Thank you for your letter. I had intended to write to you, after seeing the "Anarchy" edition of the pamphlet.

I will be grateful if you will send 12 copies please. A postal order for them will follow shortly.

Thank you also for your letter of 7th May. I hope the difficulties that arose from the removal, seizure of duplicator etc. have been overcome - recent issues of Direct Action seem to indicate quite positively that they have.

I am taking the opportunity of enclosing some papers in which you might be interested - nos 2, 3 and 4 of the

Campaign Workshops Journal of Correspondence,
and the first issue of a Newsletter we
have just started producing on Tees-side.

Hope to be able to see you
at the conference in October, if not sooner.
Do you still meet every week? I am
in London occasionally.

Best wishes,

Larry
