Dear Mr. Christopher,

I wrote to the SWF last Monday, at
25A Amberley Rd., with a request for
subscriptions to "World Labour News" and "Direct
Action", to be addressed to my permanent address
in Stockton, and for copies of "What's wrong with the
Unions", "Workers Control", "The Social General Strike"
and "The IWW Song book" to be sent to me at
Streatham. I enclosed a P.O. value 11/-,
payable to the "Syndicalist Workers Federation".
Since writing I have seen the announcement
about the theft at 25A Amberley Rd., so I am now
writing to enquire whether my first letter reached
you.

I have been thinking more about what
I have read in World Labour News and would be
very grateful if you would send me more details
of the objects and conditions of membership of the
S.W.F. and the I.W.M.A.

Yours sincerely,

Larry Farrow.
