Please enter my subscription to "World Labour News", commencing with the November issue, and to "Direct Action". I have been introduced to these papers as a result of an enquiry to Mr. Pinkerton about the aims of Northern Industrial Action, and I am sure the news they publish will be of great value when I return to Stockton-on-Tees in December, particularly in view of the present high rate of unemployment on Tees-side. They should be sent to my permanent address in Stockton, viz: 42, Tingleby Grove,
Hartburn,
Stockton-on-Tees
Co. Durham.
