Dear Sirs,

Please find enclosed  
a 6/4 P.O. in payment of our debt for  
'Direct Action'. As Digger Walsh probably  
told you when he made the order, we  
wanted two dozen because it was the  
May Day rally & this provided a good  
selling opportunity. In future we will  
have to limit our order to 6 a month  
whilst building up our support here  
in Bristol. I hope we can increase it  
in the future.

Best wishes,

Ian Vine  
Convenor.

P.S. Send to my  
address please.
