Dear Friends,

I enclose herewith application form for joining your organization. I agree entirely with all your aims. As of yet I do not belong to any union, but hope to join the local farm workers union shortly. I will return the document on the National Conference - I cannot attend.

I am subscribing to "Direct Action" so please note my change of address from 31, Osborne Road, Belvedere, Kent.

I also enclose a £1 note to go towards my weekly contributions to the National Committee.

Yours fraternally,

Doug. Peman.
