

15 Paradise Square,  
Oxford.  
April 30, 1963.

Dear Ken,

Am sending you 24 copies  
of Anarchist Student (part with Message)  
which you can dispose of as you see  
fit. We have hundreds of copies left,  
but have sold quite a few. Bloody  
jobs, at prices 2,500.

Sorry not to be able to  
sell Direct Action in the march but  
had hands literally full of Anarchist Student.  
Managed to sell 10 copies of the pamphlet  
(<sup>Bomb</sup> DAA State)  
last Saturday.

We now have anarchist contacts  
in Newcastle, Durham, Leicester, Cambridge,  
Birmingham, London universities and other  
individuals in various places. Will bring my

address took to the conference.

Lauras mentioned to me yesterday that you had said that the conference might be May 18-19. The Oxford Committee of 100 is calling a public assembly in Oxford on May 18 to discuss the R.S.G.'s, so we should prefer the weekend after. (Lauras can come on May 25-6) Would this or the first weekend in June be possible?

David Goodway (who was arrested selling D.A.) is at Corpus Christi College; John Whitfield has 1 track contacts you before - he is at New College. Gabrielle Channing of Somerville College might also be interested; I am trying to persuade her to join the SWF.

With best wishes,

Wynford.
