Dear Ken,

I sold all the Direct Action's on the day I received them. I think another dozen will go quite quickly; also if you could send 24 copies of the pamphlet 'The Bomb, D.A. & the State', I think I could sell those too.

If you tell me how much to pay I can send my subscription to the S.W.F. with the money collected from the paper in my next letter.

We have our first meeting on Wednesday week & I think things will begin to move. Best wishes to all. Yours,
Wy-lord Hinks.
