Dear Comrade,

I am sending 8/- in payment for 24 copies of Direct Action and 2/- towards the press fund. I will send more when I am able. Direct Action is selling very well although the printed editions sell better than the duplicated editions. Next month please send 12 copies if it is duplicated or 24 if it is a printed edition. I hope to be able to build up sales selling at T.V. meetings C.N.D. and door-to-door. How much would a 6 months subscription to Industrial Worker cost? I feel there is real scope for Syndicalist ideas now, if only we can reach enough people and get the movement really under way.

Yours Fraternally  
C. J. Wanford.
