Dear Comrade,

Thank you for April number of Direct Action received today, also for letter. I enclose a small donation which I hope will be of some use. I wish I could send more.

Although not working in Industry (and therefore not in a position to do anything very constructive) I am, nevertheless, very interested in the Syndicalist and Anarchist movements and would like to know more about them. Is it possible to subscribe to "A.I.T." for instance ? As far as I can make out Syndicalism is Continental rather than a British manifestation and I came across some interesting references to it in George Orwell's "Homage to Catalonia". I read French and Spanish after a fashion.

Anyway I do wish you every success in your basement.

Yours fraternally,

Sid Lee
