Dear Ken,

Thanks for the internal bulletin and pamphlets enclosed with the copies of "Direct Action". Maybe you are wondering why I haven't written about the inter-union fights on the Great Lakes. Well, first I have been assuming that it will have been reported in the press over ~~there~~ and secondly it is such a complicated and involved dispute that it would take quite a bit of research and a longer article than usual. If you do not think it has been adequately covered in the press over ~~there~~ and you would like an article on the dispute let me know and I will do one for the July issue. There could be a big blow up when the St. Lawrence Seaway opens up for shipping in the spring.

I have no more news of the proposed Canadian Anarchist Federation. Castillo wrote that a mimeographed bulletin was being issued but I have yet to receive one. These things move slowly.

All the best,
Bill
