

Syndicalist Workers Federation

Oct. 11, 1963

Dear Fellow Workers,

Please find enclosed a check for \$3⁰⁰ to be applied towards a 2 year subscription to Direct Action. Any the excess may be applied a your Organization sees fit. Our branch would also like one each of your present pamphlets for which we would like to be billed in your usual fashion. F.W. Sharif who corresponded with you previously has taken the previous copies which were sent to Baltimore as part of his organizational materials. We assume that they have been paid for — if not their price may be added to the above bill.

Organizational work in S.F. is proceeding at an ~~unprecedented~~ unexpectedly quick rate. The foundation has been laid for an anarchist forum at S.F. State College. The S.F. & Berkeley branches will soon be operating over 50 newspapers in the bay area which promise to provide almost enough money to support a hall. The Berkeley branch has been picketing

un-employment offices in Berkeley &
The S.F. branch will soon follow suit,
with picketing, ~~and~~ & leafletting in S.F.
Indeed there seem to be healthy signs
that the I.W.W. is enlarging its present
scope & returning to ~~the~~ organization
of the Working class.

Yours for the work
Michael D. Brown
