Dear Tom,

We have decided to go ahead and produce the next (September) issue of DA. Most probably the copy will go to the typesetters on Monday week, the ~~23rd~~ ^{22nd} August.

Would you please write the next article in your series on industrial organisation, and send it to Ken, if possible by ~~Sunday~~ Saturday, 22nd August, to give him a chance to type it out before Monday.

The Garibaldi meeting at which Björklund spoke was a success about 20 people were there.

When shall we see you again?

Joan represented us at the QWMA Congress, but was badly handicapped by lack of a competent interpreter.

With best wishes,

Yours Fraternally,

Pete
