Miss K. Lamb,
Anti-Capital-Punishment League,
37 Belize Park Gardens
London N.W.5.

Dear Madam, Public interest has recently increased, in the campaign against capital punishment which is being carried on by your organisation and other bodies.

We are writing, therefore, in the hope that you would prepare a press statement for publication in our monthly journal "Direct Action", the readers of which are no doubt interested in these matters.

Thanking you very much in anticipation

Yours Sincerely,

P. E. Green.

(Secretary)
