Dear Bill

Please find enclosed P.O
for ten shillings bringing order
up to date. I apologise for
delay, but financially things are
very tight at the moment.

I'm sorry I cannot contribute
to 'Direct Action' this year as
I have most 'left wing journals'
and being almost regular on flat
rate I find it difficult to
find the spare cash. If Dr
Beeching has his way things will
be worse still

I hope you will forgive
me for the delay.

D.V. Doherty.
