Dear Ken,

Thanks for your letter.

Sorry I could not get along to the Social on Saturday. I intended coming along and was looking forward to seeing you all - but I had to go out in the afternoon and left it too late to get right over to Farringdon Road, and I didn't come to the Conference because as I take no active part in Trade Union affairs now there wasn't much point.

Thanks for sending D.A. for the past months. I must owe you more than a £1 for past copies. I will try and send some more cash later on - but like everyone else I am always broke.

I did manage to get a holiday in Norway this year with Peter and his brother.

Peter, with his usual enthusiasm had arranged a 3,000 mile tour in his little Citroën. I think we went up and down every mountain in Norway. Just Peter, Geoffrey, me and a big husky dog. We took a Norwegian boy

down to Sweden for the  
Swedish Syndicalists Workers'  
Conference. He told us that  
two delegates from England  
were coming to the Conference,  
so we went along on  
Saturday night hoping we  
might see someone from  
the S.W.F. but we were not  
surprised to see no delegates  
from England, as it was  
an awfully long way to go  
for a week-end Conference  
unless someone was having  
a holiday there.

I hope Malcie is well and  
enjoying life in "This Rich little  
Island?" Give her my best.

wishes also to other old friends  
in the S.W.F.

All best wishes,  
from Joan.
