Dear Comrade Ken Hawkes

When last you wrote
me (just after your return
from France) you promised
to call soon with Peter Green
& I remember replying you
would

be welcome any evening.

PRINTED MATTER.

Nothing happened until July when young Peter wrote thanking me for a letter I had addressed to you & saying he would discuss with you when to come over!

I had NO replies whatever from notice in D.A. or F.S! I had hoped all anarchists were anti Christian. Ella T.
