Dear Friend,

Received your letter of 17th inst. and subscription to 'Direct Action' for which many thanks. Please find receipt enclosed. You do not state from which issue you wish your subscription to commence, so, noting that your form was cut from the Dec. 1952 issue, we are sending under a separate cover those that have appeared since then, in case you have not seen them.

Regarding your enquiry, we are enclosing a copy of our organisational basis, and we would refer you also to the Aims & Principles printed in 'Direct Action'.

We will be pleased to answer any questions you may wish to ask

With best wishes,

Nat. Secretary
