Dear Colin,

Thank you very much for your letter and enclosure about the Drama Group, which I presume was Murray's handiwork.

Sorry for the delay in replying, but I have been busy on the July DA. Also I thought I might have seen you at the meeting.

Thanks for the news about the open-air meetings; so long as these continue it's OK. (I asked about the platform because I had feared that it might have been left forgotten on the station with a fortune to pay before it could be collected.)

Let us know how things go on.

Hoping to hear from you,

Yours Fraternally,

Pete
