Dear Tom,

At our business meeting on Tues. night, we decided to go ahead, at any price, and get an issue of DA out for May Day week-end. To do this, the material must be ready for the typesetters by next Monday, April 20th, and £11/10s. paid at the same time. We have £1 in the kitty; if you could please help us to the extent of £1, it would be greatly appreciated. We have all agreed to pay whatever our share of the £11 odd turns out to be, but if all our 'solid' comrades pay the £1 share we are appealing for, no one will need to fork out much more than this.

With all best wishes,

Yours fraternally,

Pete
