Dear Frank,

We have decided to go ahead and turn out DA, at all costs, and have it out, (a special issue) by May Day weekend. £1/10s. must be paid to the typesetters on next Tuesday, April 21st, and we have only £1 in the kitty.

If you could possibly help us out to the extent of £1, it would be very much appreciated. All our 'solid' members, (provinces as well) are being approached, and if we all bear our £1 share, no one will have to fork out more than this. It would be a great pity if we have to let another May Day pass without a DA to cover it, apart from the missing of a potential sales boost. You can see from the dates mentioned above that this is a matter for your urgent attention.

Sorry to have to write this type of letter.

All the best,

Fraternally,

Pete.
