

JOIN NOTTINGHAM CAMPAIGN FOR NUCLEAR DISARMAMENT NOW

NCND Campaigns against nuclear weapons and all other weapons of mass destruction. We are working to make more people in Nottingham aware of the issues involved in the nuclear "defence" arguments. Ultimately, we believe Britain should decide, independently, to get rid of all nuclear weapons on its soil.

We are part of National CND but, in day to day campaigning, we make all our decisions locally here in Nottingham. NCND is made up of Neighbourhood groups in many different parts of the city and a central office at Queens Chambers, King Street (above Finley's in the Market Square).

ALL MEMBERS RECIEVE A MONTHLY BULLETIN WHICH CONTAINS NEWS, ARTICLES AND DETAILS OF FORTHCOMING EVENTS.

IF YOU WISH TO JOIN NOTTINGHAM CND, FILL IN THE FORM BELOW AND BRING IT ALONG TO OUR INFORMATION STALL NOW.

Welcome to the Nottingham Peace Festival. This is the seventh year and we hope it will be the best yet. We say this every year.

There is a full day of events on the Embankment. Over 100 stalls are here offering you food and refreshments, games, information and everything from books to pot plants.

Don't miss YOUR chance to win £100 in our super raffle - the draw will be made around 4.00.

We have music and other entertainments all day on two stages - and celebrity speakers will be addressing the multitudes at various times as well. Children are well catered for, with two giant fun inflatables and a variety of games and entertainers.

This will be a day of relaxation - but no one is forgetting that the aim of the Festival, along with the peace movement in general, is to promote peace and disarmament. Between them, since the end of the last war, the superpowers have produced the equivalent of one Hiroshima bomb, every 15 minutes, day and night, for over 40 years.

This sounds like one of those hysterical exaggerations - but it isn't. Disarmament and TRUE peace between the superpowers makes sense. It is something for everyone to believe in - regardless of their other opinions.

NOTTINGHAM CREDIT UNION

THE EASIEST WAY TO SAVE - THE CHEAPEST WAY TO BORROW!

A credit union is a group of people with a common bond,
(in the Nottm. Credit Union's case, living in Nottingham)
who get together to save and borrow money. It is run and
owned by its members. You can vote for the board of
directors, or stand for election yourself. All members
benefit from the Credit Union equally.

HOW IT WORKS:

As a member you save regularly. Once you have £25 saved
and have been a member for at least a month you can apply for
for a loan of up to four times your savings. Loans are
provided out of other members savings and are repayable
over one or two years at 1% interest per month (e.g. £100
borrowed over one year would be a total repayment of
£106.50.)

Membership costs one pound, and if you would like to join,

WHAT'S IN YOUR MIND?

NOTTINGHAM AND DISTRICT MENTAL HEALTH ASSOCIATION

Nottingham MIND is your local pressure group working on behalf of people who have mental health problems. MIND is independent of both the Health Authority and Social Services so you can turn to us in confidence if you want help with any aspect of your experience as a 'patient'. There are a number of ways in which MIND may be able to help you:

Drop-in-Centre - The MIND Resource Centre at 114 Mansfield Road welcomes people who just like to 'drop in' for a chat and some coffee.

Support Groups - There are a number of social clubs and support groups for people who have been or still are, patients. These are informal and usually run by the group members themselves.

Advice and Information - The MIND Resource Centre has a number of books and leaflets about mental health issues which you are welcome to use. There are also people at MIND who can help you with particular difficulties or complaints you may have about your treatment, legal rights or other issues.

Accommodation - MIND runs a hostel/bedsitters for ten people and also four group homes.

Patient Empowerment - We work to promote groups who are seeking a greater voice for users in the planning & delivery of the mental health services.

Campaigning - MIND has an important role in pressing for better services for you both when you are in hospital and when you leave. If there are things you would like to see improved or changed, let us know and we will try to help.

Education - We are involved in educating both the public and professionals about mental health.

If you would like to know more about Nottingham MIND or if you want to get involved either as a volunteer worker or as a user of our services, contact us.

GB/W. Germany. 1986. 110 mins. 15.

It concerns a radical songwriter who escapes the censorship and intimidation of East Germany, only to discover the seductive horrors of FDR capitalism and hypocrisy. Later, in merry old England, he witnesses, at Molesworth, exactly the kind of suppression the West is anxious to deny.
